FROM THE PRESIDENT

Hello everyone, did anyone miss me for the past two months? I guess not, no one commented. I was waiting on a six month report on the new Board and President. I guess they are working out. I have not received many comments also all committees are very busy. Thank you for a great job.

We have had a couple of busy weeks this past month. We were on BCTV with the VICTORY show hosted by Tom Frank. Bob Messner, Lisa Heck and I were promoting the In-Vette, then the In-Vette on July 16th. I must say a big thank you to Bob Messner and his committee for all the hard work they put into this event. The show was a big success with record entries, vendors and trophies. I also thank all the club members that supported the event in whatever way they could.

"THANK YOU" I'm proud to be the President of the club and have so many people that care about the Skyline Drive Corvette Club.

IN-VETTE-TATIONAL NEWS RECAP

by Bob Messner

I hope everyone enjoyed a great day at our 42nd In-Vette-Tational. Thank you to everyone that participated and supported this event in many ways. Special recognition goes to the 25 members of our 2022 In-Vette-Committee for your ideas, commitment, and hard work over 6 months to organize and successfully execute this great club tradition.

Thanks to our Board of Directors, Club Officers, and each of the club members that volunteered to provide their support and help. We also recognize our In-Vette and Club Sponsors who really stepped up to support our show and scholarship program. On show day, all of us aggressively got the job done with everyone's teamwork putting in extra efforts to make our In-Vette-Tational another huge success.

We had a record attendance of **318 registered vehicles** and approximately 21 vendors and sponsors. We had 4 veterans organizations participating to provide information and guidance to our local veterans. In addition the Wilson High School Jr Army ROTC color guard participated to honor our nation and veterans. Our club's 3 Scholarship recipients participated, were presented their SDCC Scholarship Certificates, and they each awarded their personal crafted trophy to a vehicle of their choice. We made donations from our In-Vette proceeds on behalf of SDCC to the Wilson HS JR ROTC cadets, the Keystone Warrior Foundation (veterans group) and the Disabled Veterans Association that participated with us.

We received notes of appreciation from many including the Reading Fairground Racing Historical Society for inviting them to participate in our event. The Oley Fire Company had a very successful day with continuous lines in front of their food stand, which resulted in a sellout of various food items. A total of 53 trophies were presented to the owners of very exceptional cars and trucks.

Thanks to each club member and local businesses that sponsored a trophy, your support paid for over half of the trophies that we proudly awarded including each of the trophies presented by our Club Sponsors. Hats off for the exceptional efforts of our members to obtain a great display of items for our Tricky Tray Auction. The Slow Drag drew the attention of many and was an excellent time, especially for Ron Grove as he slowly crossed the finish line in his 1978 Corvette and captured the unique trophy that was hand crafted by Lorrin Young. Overall a very successful and fun day for everyone.

Editors note: See Invette photos next page, trophy winners at end of newsletter
