## CLUB HISTORIAN

The club is still searching for a member to fill the role of club historian!

Since we lost the club's only Club Historian when Diane Goodhart passed away this post has been vacant. The Board of Director's is actively seeking a member to fill this position and continue to keep the history of the club documented. Barry Goodhart has offered to help anyone that volunteers.

There must be one member that enjoys scrapbooking and would be the perfect person to continue photo documenting the history of SDC. If you, or anyone you know, would be interested in filling this position, please contact Lisa Heck, Charlie Weaver or Barry Goodhart.

## NCM UPDATE

by Ron Grove

Plans for the 2024 Atlantic Corvette Caravan are beginning to come together for the NCM 30th Anniversary celebration. Jeffrey Duda, Caravan Captain, will be releasing the agenda information and registration in the next several weeks. There are many stops and events scheduled. . but you need to only attend those you are interested in and of course the fee will reflect your choices.

The milestone anniversary celebrations are well attended with thousands of Corvettes and people will be heading to Bowling Green for the event. Caravans help to insure that you can secure lodging and activities for the gathering. Should you be interested in attending – let me know and I will forward some information to you.

The Corvette Assembly Plant Manager Kai Spande will be retiring at the end of July. The NCM would like to send him off with well wishes from the numerous Corvette clubs around the country . . . so I will have a retirement card at the July SDC meeting for members to sign.

And remember. . . Consider joining the national Corvette Museum. Individual membership is \$65/year. See me for details. Thanks!

## BERKSHIRE MALL SHOW

A lot of members were disappointed that the Mall Show was canceled so we are going to try again. The Board approved the dates of Friday September 22nd to Sunday the 24th. The mall management was thrilled that we would give them another date and approved that weekend as well.

Get your name on the list by signing up at the July, August or September meetings or call, text, e-mail Randy at 484-769-3055 [Randman9@aol.com](mailto:Randman9@aol.com). It's always a great social event for members to get together and hang out. Join the fun!

## IN-VETTE-TATIONAL NEWS

by Bob Messner

24 club members that volunteered to serve on our In-Vette Committee began preparing for our club's 43rd annual In-Vette-Tational on March 2. The Committee met monthly and spent many additional hours behind the scenes to assure the success of our In-Vette. In addition many club members, officers, BOD members, vendors, and sponsors also volunteered their time and assistance to support the Committee's work. Along with these preparation efforts we recognize everyone who will be committing their talent and time on the day of our In-Vette and those who have made donations in various ways.

Working in parallel to the In-Vette planning, a similar but separate effort has been ongoing to recruit local and national business sponsors for funding our SDCC Scholarship Fund, which is our club's primary charity to our community. Barry Goodhart has been instrumental in organizing the scholarship recipient selections in conjunction with their instructors and SDCC's BODs. The team work, organization, and commitment of everyone involved is evident and appreciated. The members of the In-Vette Committee look forward to seeing everyone attending the In-Vette to enjoy a memorable and fun day. Be sure to take a time out during your involvement on the day at the In-Vette to observe the hundreds of show vehicles, veteran displays, 24 plus vendors, presentations, band, a huge amount of people actively enjoying a great time, and eat some ice cream. Also congratulate our 4 scholarship recipients, thank our veterans attending that served our country, and most important have fun!

Use your SDCC member ballot found in your registration envelope and vote on your favorite vehicle, remember that members do not vote on Corvette classes other than for the best of show award. Find the In-Vette flyer and pre-registration form at the end of this newsletter, I have also included an advance copy of the In-Vette schedule of the activities going on for everyone's reference and enjoyment.

On Friday July 14 the In-Vette Committee will meet at the Oley Fire Company Fairgrounds at approximately 4:00 - 5:30 pm. We will setup and make final preparations for an early morning start to welcome our Sponsors, Vendors, Veterans, Community, and Drivers to our 43rd In-Vette on Saturday July 15. Following the In-Vette setup on Friday afternoon all club members, family and friends are invited to join us for our traditional dinner, laughs, and refreshments at Giannotti's Country Manor, 3118 Pricetown Rd, Fleetwood. Everyone must contact Ken Hoppes at phone 610-779-8778 or email khgc.ptd.net to be included in our group reservation. If your schedule does not allow time to stop at the Fairgrounds, no worries, come out and meet us at Giannotti's for dinner or even if just for some good fellowship and refreshments. A wonderful In-Vette cake for desert magically appears each year for us to enjoy after dinner compliments of Donna Baumener and Kerry Koch, thanks for that!

Again this year the Berks County TV Victory Show hosted by our past chapter president Tom Frank has invited several club members to their TV studio on July 6. The panel will represent all of the members of Skyline Drive Corvette Club to promote not only the In-Vette but all of the great traditions of our club including our upcoming 60th Anniversary. A YouTube link to the Victory Show will be available on social media after July 6. SDCC thanks Tom and the Berks County TV Victory Show for being a key In-Vette Sponsor. Also thanks go out to our club's Major Sponsor Bob Fisher Chevrolet for their support to the In-Vette Committee by providing use of their conference room for the monthly In-Vette meetings and to Derek Burkert representing Bob Fisher to participate in our planning meetings. Finally thanks to every SDCC club sponsor for the many appreciated contributions to our In-Vette. I will see everyone along with bright sunshine in the morning, on July 15!

## IN-VETTE TROPHY SPONSORS

Although you are quickly running out of time to be a Trophy Sponsor, you can still sign up by contacting Ken Speicher at [kspeicher@comcast.net](mailto:kspeicher@comcast.net) or 610-334-1457 ASAP. The cost is \$35.00 for an individual or \$50.00 for a business. Don't wait until the July 10th Membership Meeting to sign up. It will be too late to get your name on the large poster which will be displayed at the In-Vette.

## SDC LOVES DOING PARADES

In late May SDC participated in 5 parades during a 10-day period with an average of 14 cars in each parade. These included an Armed Forces Day Parade and 4 Memorial Day Parades. I thank everyone who participated and urge others to consider participating in the future. This is an easy way to give back to the communities and they love to see all the Corvettes.

We now have a 4th of July Parade coming up in Wyomissing on Tuesday, July 4 at 10:00 AM. The parade organizer has requested our participation and advised they expect 20,000 spectators! This is very short notice, so please contact Ken Speicher at [kspeicher@comcast.net](mailto:kspeicher@comcast.net) or 610-334-1457 ASAP to sign up. We currently have 15 cars signed up and I would like more. (We had 16 at their Memorial Day Parade)

## IN-VETTE-TATIONAL - AUCTION AND LOTTERY TICKET DONATIONS

The success of our club's In-Vette Auction is made possible by donations from many local businesses, vendors, and our membership. A significant attraction to the Auction is the Lottery Tree filled with PA scratch off lottery tickets. Andy and Marie Stalnecker manage the collection of all Auction items and Janet Schmidt assists them with the collection of lottery tickets to fill the trees. An Auction donation letter that can be printed and used when requesting donations is provided at the end of this newsletter. For members supporting Janet to fill the Lottery Tree, there is an incentive program when you purchase and bring lottery tickets to our monthly membership meetings.

Everyone that first buys \$5.00 worth of club 50/50 tickets at our June or July membership meeting will have the opportunity to trade in their donated scratch off tickets and get additional club 50/50 tickets for FREE. The more you donate, the more chances you have to win the club's 50/50 drawing for cash or a NCM ticket to win a new C8 Corvette! Below is how it works.

Bring in a \$1.00 lottery ticket and receive 2 additional club 50/50 tickets  
Bring in \$2.00 worth of lottery tickets and receive 3 additional club 50/50 tickets  
Bring in \$3.00 worth of lottery tickets and receive 5 additional club 50/50 tickets - Bring in \$4.00 worth of lottery tickets and receive 6 additional club 50/50 tickets  
Bring in \$5.00 worth of lottery tickets and receive 7 additional club 50/50 tickets

The only catch is you must buy your club 50/50 tickets first to be eligible. Anyone not wishing to purchase scratch off lottery tickets or forgot them, can buy their club 50/50 tickets first and give Janet the cash equivalent of the scratch offs and she will buy them for you.

## NO FACTORY RACE TEAM FOR 2024

Corvette Racing as we know it will shut down after 2023. The news comes from a SportsCar 365 interview with GM Motorsport Director Mark Stielow, who says the manufacturer will continue providing support to customer teams with its new Corvette Z06 GT3.R in 2024 and beyond. Still, it won't be the full-on factory effort that first started in 1999 with the C5.R.

## REDNER'S SAVE-A-TAPE
