JUNE MEETING AT SHILLINGTON PARK

The June 14 membership meeting will be held at Shillington Park. The park is on E Broad street in Shillington. Google it for directions. Meeting will start at 7pm. There will be no food. It is recommended to bring chairs and masks to maintain social distancing.

FROM THE PRESIDENT

by Randy Chapman

Greetings fellow SDC members. We have been having an up and down weather season so far. 90 one day and 70s the next. Thankfully we can drive our Corvettes in most any weather. Thanks to the activities committee for planning the ice cream runs. And thanks to Brian Fisher for adding them to Facebook.

I hope all of you have sent in your registrations for this year's InVette. Don't forget to volunteer for the activities as well. Just an hour helps the club out. I know the Allentown Area Corvette Club show is fast approaching. I am hoping for a big turnout for their show. I also know Sue Snyder was looking for a few Corvettes for a small parade in Shoemakersville also on June 5, 2021.

Next time you are out shopping, consider purchasing something for our many fundraising opportunities. I saw wine for \$ 9.99 a bottle at Sheetz recently. PA has lottery tickets in many different amounts and a gift certificate for our tricky-tray auction would be welcomed. Next meeting will be an outdoor one. Bring your own chair.

AMBASSADORS REPORT

General Motors has delivered 6,611 C-8 Corvettes as of the end of the first quarter. Unfortunately, BGA has had 3 shutdowns since February 2021. They are currently shut down from May 24, 2021 until June 1, 2021 due to an unnamed parts shortage.

Hallmark is releasing a 2020 Corvette Christmas ornament for \$ 19.99 through the Hallmark Online Shop. Just in time for Christmas 2021. This year's Indy 500 PACE CAR C-8 will be driven by Danica Patrick. It is a white 2021 convertible.

An article appeared online from the GM Authority about Jack and Dor DeLong's recent donation of their C-5. A Dale Earnhardt tribute was airbrushed on the underside of the hood. There is a YOUTUBE video out regarding the donation.

Paul Koerner, World Class Corvette mechanic, recommends that all C-8 owners change their transmission filter at 7,500 miles or before their first year anniversary with the car. One year plus a day doesn't work so well. The NCM store continues to offer free shipping on orders over \$ 75. November 4 through 6, 2021 is NCM's Vets N Vettes event. The annual Ambassador's Convention is usually around the same time. I will be attending the convention this year.

Skyline Drive Corvettes 41st Annual In-Vette-Tational – Saturday July 17, 2021

We are looking forward to a great day of amazing cars, fellowship, and most of all fun and great weather. On behalf of your entire In-Vette Planning Committee we invite you along with your friends and family to enjoy this great club tradition. Every SDC member's support to our In-Vette-Tational along with the generous contributions of our sponsors makes it possible to provide Scholarships to our local youth with a goal to have a career in the automotive field.

We proudly recognize and congratulate the achievements of our 2021 Scholarship Award winners. Each winner was selected by their Vo-Tech Instructors in conjunction with a lot of time and communication from club members Barry Goodhart and Harold Hoch. Special thanks to Barry and Harold for representing the entire Skyline Drive Corvette's membership during this interface with our local Vo-Tech Schools.

Your In-Vette Committee is looking forward to each member's support and attendance. Pre-register today using the registration form on the In-Vette flyer attached at the end of this newsletter. For additional opportunities to support your club's In-Vette contact Bob Messner at bobmessner1@gmail.com

LOTTERY TREE

We need your scratch off Lottery Tickets for our Lottery Tree! Here is some extra incentive to get everyone bringing in those scratch off tickets for our Tricky Tray Auction tree. Everyone that buys \$5.00 worth of 50/50 tickets at our April, May and June meetings will have the opportunity to trade in their scratch off tickets and get additional 50/50 tickets for FREE. First, buy your \$5.00 of 50/50's. Then see Janet with your scratch off tickets for the tree. The more tickets you donate, the more chances you have to win the 50/50 drawing. Below is the chart on how it works. Bring in a \$1.00 scratch off ticket and you will receive 2 additional 50/50 tickets. Bring in \$2.00 worth of scratch offs and receive 3 additional 50/50 tickets. Bring in \$3.00 worth of scratch offs and receive 5 additional 50/50 tickets. Bring in \$4.00 worth of scratch offs and receive 6 additional 50/50 tickets. Bring in \$5.00 worth of scratch offs and receive 7 additional tickets.

The only catch is you must buy your 50/50 tickets first to be eligible. Those people that do not want to purchase the scratch off lottery tickets or forgot them can buy their 50/50 tickets first and give the cash equivalent of the scratch offs and we will buy them for you.. The Pa Lottery site offers coupons on tickets, buy one get a free ticket usually of lesser value. These coupons have an expiration date. If you have any question Janet Schmidt will be happy to help answer them.

MEMBER PROFILE, MICKEY FINK

A couple of weeks ago I received a call from Barry Goodhart about doing a profile of my life. I really was not excited about doing it but out of total respect for Barry and his family I decided to let the people in the club know who I am. Love You Barry.

My connection to cars began at a young age. When I was only 6 or 7 years old my father built a go cart for my brother and I and within the next year or so we also had a blue 1/4 midget. I started working at age 12 in the basket room at Antietam Pool so I always had extra money to play with and we bought a 65cc Honda at that time. When I was 15 my parents bought my brother and I, who was a year older than me, a new 66 Mustang GT for a graduation present and within a couple of months we traded it in for a brand new 1967 Corvette 427 HP fast back with side pipes. Before I was 17 my brother and I both had speeding tickets and I was scheduled to lose my junior license for a year due to going 95 mph in a 60 mph zone. The car insurance was so high we could not afford it and had no choice but to sell the car.

I then got into buying and selling cars, went into the army, owned a motorcycle shop called Chopper Engineering and built a 1950 Harley Davidson Panhead Chopper that I ran New Jersey plates on. Also, I had a head on collision with a car on my 750 Norton Comanche motorcycle, was unconscious for over a week and almost died, and then got married a year later. The marriage only lasted 7 years but I have 3 beautiful daughters who make me very proud. Also from the time I graduated high school I worked a full time job with my parents at Fink and Fink Diaper Rental Service. I was a very busy person with a worsening drinking problem. When I was 40 years old I received a DUI and almost lost the business. It was a family business that was started by my grandmother on Chapel Terrace in East Reading in 1946.

Depression and losing the business would have meant the end of me. I lost my license for 90 days and had to hire a driver to drive while I sat along side of him telling him which way to turn as I continued to make all my daily deliveries. My weekly routes were between 500 and 600 miles and I delivered as far as Easton. At one point I had over 300 customers. As a result of the DUI, I got sober and this June 13th, 2021 I will celebrate 30 years of sobriety.

I ran the diaper service up until 1996 as a recovering alcoholic wanting to drink all the time due to having a business where I received no vacation or days off because of having a weekly pick up and delivery service. I could not even get sick because I had no back up driver. I was the truck driver, machine operator, bookkeeper, machine service and repair guy and a recovering alcoholic. I drove through every snow storm to make my deliveries sometimes driving 12 to 14 hour days. One year the Reading Eagle even did a story on me about my weekly delivery service and delivering in snow storms. When I shut down the business in 1996 due to everyone using disposable diapers, I went to a training school in Elizabethtown PA to get a class A license.

My 1st run with US Express was to California with a twin berth condo and a 55 foot trailer. The trainer was a creep and had me do just about all the driving while he watched TV. I hated it so much that I quit when we got back to Ohio. I then got a job with a local company driving gasoline tankers, played the stock market as a daily trader, lost my shirt and had to remortgage my house. In the year 2000 I met my soul mate in church while making Easter Candy, got married, and learned how to trade stocks. Due to staying sober, turning my life over to God, learning to be a daily stock market trader and marrying a supportive girl, I now have a great life, several pristine cars and a brand new 2021 Corvette C8 Z-51. That's my story and I am sticking to it.
