# 42ND ANNUAL IN-VETTE-TATIONAL NEWS

by Bob Messner

With less than 3 months until our 42nd In-Vette-Tational, the In-Vette Committee is proceeding with planning at an aggressive pace to assure a successful and most of all a fun car show. It is truly a team effort to cover the amazing amount of details and communications involved. As I have discussed at our recent club membership meetings and newsletter articles, there are many opportunities for each club member to support the In-Vette with your donations and volunteering a small amount of your time on the day of the In-Vette.

Contact me or any of the In-Vette Committee members for details how to help. Our planning priorities are focused on fun and hosting an amazing car show that benefits our club, scholarship program, and local community. Again this year we have included the local library, veteran organizations, the Army Jr ROTC cadet color guard, the Hershey AACA Antique Car Museum, Club Sponsors, and In-Vette Sponsors. Currently we have commitments from 22 various sponsors and business vendors attending and setting up displays for everyone to enjoy. With the luck of good weather, I assure you it will be a memorable and great day for everyone.

For only \$15 and a postage stamp join me with a goal to over-stuff Andy Stalnecker's mailbox with pre-registration forms this month. It is a significant way to support Andy and the Registration team's effort to process our registrations in advance rather than the morning of the In-Vette. Early pre-registration also allows Ted Stalnecker and his team to record each participant's registration information into their data base to be ready for recording everyone's votes. With potentially over 300 registrations to process followed by hundreds of votes to record and evaluate, the value of pre-registration is appreciated, key to reducing long registration lines, and keeping everyone smiling!

The registration form is on the back of the In-Vette flyer attached to this newsletter or available at our monthly membership meetings. All registered cars and trucks have the opportunity to be awarded one of the 53 unique trophies that Skyline Drive Corvette Club will present this year. This includes our Best of Show – John Catalano Memorial Award. Members and Businesses are needed to sponsor one of these trophies, it is also a great opportunity to support our In-Vette.

Members parking show cars and trucks at the In-Vette is one of best opportunities to view each of them as they enter the field. It is also a prestigious job that gets the attention of every driver. We give you a flashy vest, a flag to wave, a free bottle of water to keep your cool and most of all it is fun. Parking show cars is easy, can be a scheduled time duration and one area we need additional assistance. Please talk to Andy Hill or Mitch Zeigler for more information and to volunteer to help with parking for any amount of time possible. Andy Hill is maintaining a parking volunteer list and time schedule, email Andy ahill@dekabatteries.com

<mailto:ahill@dekabatteries.com> or see him at our next meeting to be added to his schedule. No worries if you have already alerted me or signed up on any other sign-up sheet your name has been passed onto Andy. I look forward to seeing everyone at our In-Vette-Tational!

## SCRATCH OFF TICKETS FOR INVETTE

We need your scratch off Lottery Tickets for our Lottery Tree! Here is some extra incentive to get everyone bringing in those scratch off tickets for our Tricky Tray Auction tree. Everyone that buys \$5.00 worth of 50/50 tickets at our April, May and June meetings will have the opportunity to trade in their scratch off tickets and get additional 50/50 tickets for FREE.

First, buy your \$5.00 of 50/50's. Then see Janet with your scratch off tickets for the tree. The more tickets you donate, the more chances you have to win the 50/50 drawing. Below is the chart on how it works.

Bring in a \$1.00 scratch off ticket and you will receive 2 additional 50/50 tickets. Bring in \$2.00 worth of scratch offs and receive 3 additional 50/50 tickets. Bring in \$3.00 worth of scratch offs and receive 5 additional 50/50 tickets. Bring in \$4.00 worth of scratch offs and receive 6 additional 50/50 tickets. Bring in \$5.00 worth of scratch offs and receive 7 additional tickets.

The only catch is you must buy your 50/50 tickets first to be eligible. Those people that do not want to purchase the scratch off lottery tickets or forgot them can buy their 50/50 tickets first and give the cash equivalent of the scratch offs and we will buy them for you. The Pa Lottery site offers coupons on tickets, buy one get a free ticket usually of lesser value. These coupons have an expiration date. If you have any question Janet Schmidt will be happy to help answer them.

## BARRY'S CAR BARN

Over 30 members braved the inclement weather for the clubs first event of Spring visiting Barry's Car Barn in Intercourse, PA. After a morning breakfast at the Breakfast Hut in Exeter, the group headed out. Since only 4 members drove their Vettes we decided to let it up to each member what route they wanted to take. Welcome to new members, Dave and Deb Costello who drove their Corvette from Slatington to join us in the rain. Thanks to Barry for sharing his incredible collection with our group and spending time chatting with us as we enjoyed his 50 cars. It might have rained on our parade but I think everyone that came out enjoyed the day.

**SDC crew that helped to cleanup Skyline Drive on Earthday 4/23/22.**

### BOARD MEETINGS

All Skyline Drive Corvette Club members are welcome to attend the monthly board meetings as spectators. Because of time limits on the use of the meeting facility, up to 2 groups or individuals with issues or concerns are able to be accommodated with a ten minute presentation time limit each, so that regular board business can be dealt with. If you have an issue, you must contact the Board Chairman to get added to the agenda.

## EVENT NEWS

### **Berkshire Mall Father's Day Show is back on for 2022**

SDC will again be displaying our cars over the Father's Day Weekend this year. The cars will be going in on Friday night June 17th after the mall closes (TBA) but the mall now closes at 8:00 p.m. They will remain in until Sunday night April 19th when the mall closes at 6:00 p.m. This has been a yearly tradition for the club and gives us the chance to showcase our club to the public and advertise our club and our upcoming In-Vette-Tational Car Show in July. We already have 18 cars signed up and want to have as many cars as we can to represent our club. Brian Fisher will be our show coordinator for 2022. You must register with him so that he can plan the placement of cars in the mall. Please contact him to be added to this great event with your name, phone number and year of car you want to display. His number is 484-855-0353. If calling during the day, please leave a message or call after 5 p.m. to speak to him personally.

### **Maidencreek Place Car Display**

We need you and your car for a little show at an Assisted Living Facility on Thursday May 26th. This is a great community give back event. We will display our cars so the residents can come out, get some fresh air and enjoy some of our old and new Corvettes. It's a short show so let's get them out and spend some time at Maidencreek Place at 105 Dries Rd. Reading. We will meet at the Temple Walmart lot at 12:15 and Caravan the 1 mile to Maidencreek Place. The show is from 12:45 - 2:15. It's only an hour and a half so contact Randy Kerschner at 484-769-3055. We only have 3 cars signed up and only need 12.

### **Allentown Area Corvette Show June 4th**

SDC is once again going to go as group to the AACC Show at the Penn State University Lehigh Valley Campus in Center Valley, Pa. The caravan will meet at the Crossroads Restaurant on route 61 in Temple for breakfast at 8:00 a.m. leaving around 9:00 a.m. for the show. If you have not pre-registered, the registration closes at 10:30, judging starts at 11:30, with awards at 3:00 p.m. Two-way radios are suggested. Please call Randy Kerschner at 484-769-3055 to be added to the list for breakfast so we can give them a heads up with a rough number.

### **Churchtown 300th Anniversary Memorial Day Parade - Monday Evening on May 30**

Skyline Corvette Club has been invited to participate in the Churchtown 300th Anniversary Memorial Day Parade. If you appreciate local early American history and would like to pay honor to our America's earliest local veterans this an exciting opportunity. Since the year after the Civil War, veterans, students, and farmers from the Caernarvon Township community have observed "Decoration Day", honoring those who have paid the highest price to be called an American. It is one of the oldest observances of its kind in the nation and has been continuously observed for over 150 some years.

The parade steps off at 7:00 pm and moves down Main Street (Route 23) for five blocks, reversing and turning back on Main Street and then stopping at the three historic cemeteries of the community. At each stop an honor guard renders military honors in the cemetery and children place flowers on the graves of all veterans. This custom of flowering the gravesites was the origin of the name, "Decoration Day." Later, the name was changed to "Memorial Day." The parade will be led by a bag pipe band and lasts a total of 40 minutes. The New Holland Band will play a concert and the Fire Company will offer food for sale before the parade. Bring your lawn chairs and car decorations.

The parade organizers would like selected veterans to be transported in Corvettes. If you are willing to escort a veteran in your Corvette contact Bob Messner bobmessner1@gmail.com or call 484-269-4218. I want to thank our SDC Club Parade organizer Mike Bellante for assisting me in obtaining the BOD approval for this parade to be a club event.

### **Photo shoot at June meeting**

We are planning an update of our club members and their cars. Many new members and a lot of new cars. This is planned for the June General Membership Meeting at the Shillington Park (weather permitting).

Club member/photographer Jeff Calpino has graciously agreed to take the pictures for us. We will set up an area much like I did at Exeter. You will drive in, exit your car, get the photo taken and then park in the lot for the meeting. I wanted to give our members advanced notice of this plan so you can plan accordingly.

# ANOTHER AAA ARTICLE

The following article that will run in the May/June issue of AAA's On the Go publication that will include a picture from the 2021 In-Vette-Tational.

## Skyline Drive Corvettes' 2022 In-Vette-Tational "More than Just a Car Show"

Regular readers of AAA's "On the Go" might recall that that Skyline Drive Corvettes (SDC) of Reading, PA was the brainchild of a group of young guys from Berks County in the early 1960's. The club's first official meeting was held on June 7, 1964.

SDC's In-Vette-Tational debuted in 1979 at the Berkshire Mall in Wyomissing. A severe gas-shortage nearly caused it to be cancelled, but "the shortage eased a bit", and the show went on. It was the first event of its kind in the area and was described as "three days of activities, parties, food, beer, fun and cars". After a second successful show in 1981, it was decided to make this an annual event. Putting together a multiple-day car show every year was an overwhelming challenge for the relatively small club, so in 1985 the In-Vette-Tational was reduced to a one-day event. By 1990, it was not unusual for 60 to 80 Corvette owners to display their cars with the hope of winning one of the coveted trophies. The In-Vette-Tational has been held at a variety of locations throughout Berks County, including the Owl's Field in West Lawn, Berks County Agricultural Center, Riveredge, Vanity Fair, the Fleetwood Park and Bob Fisher Chevrolet. The Oley Fire Company Fairgrounds has been home to the In-Vette-Tational for the past eight years.

The In-Vette-Tational has certainly grown and evolved. One of the show's significant turning points occurred in 2014, when "All Makes and Models" of cars and trucks were invited to the In-Vette-Tational to celebrate SDC's 50th Anniversary. With 14 beautiful "country" acres, the Oley Fairgrounds provided plenty of space for vehicles of all kinds (yes, even Corvettes and Mustangs parked side-by-side for the day!), activities and entertainment - a true "community event".

Experiences, lessons learned, hard work and determination have paid off. The 2021 In-Vette-Tational was SDC's best-attended show ever, drawing 279 registered cars from Berks, surrounding counties and even a few from other states. And some folks attended just to browse and enjoy the day - it's free to spectators! Since its inception, SDC has been helping others and giving back to the community. The In-Vette-Tational was identified as a way to raise additional money for charities and to support local businesses who attend to display their goods and services. In 2009, the club created the SDC Scholarship Fund which provides financial assistance to local youth pursuing post-high school education in the automotive field. A large portion of proceeds from every In-Vette-Tational is dedicated to the Scholarship Fund.

This year, SDC will be hosting its 42nd Annual In-Vette-Tational on July 16, 2022 at the scenic Oley Fire Company Fairgrounds, 26 Jefferson St., Oley, PA 19547, rain or shine. The show is open to all makes and models of cars, trucks, hot rods, muscle cars, antiques, customs and classics. You are encouraged to join the fun, no matter what you drive! Registration is from 9 a.m. to noon.

The day will officially begin at 9:30 with an opening ceremony to honor our nation, veterans and active military. The scholarships will be presented at 1:30. In addition to the car show itself, there will be several hours of live music, raffles, a Tricky Tray auction, and a "slow drag" competition. A book sale will be offered by the Oley Library and there will a diverse group of vendor stands to check out. Good food prepared by the Oley Fire Company is available throughout the day. The show closes about 3:00 p.m. after a ceremony to present approximately 50 trophies for the winning cars. Any business or individual is invited to sponsor a trophy and have your name prominently displayed by the stage.

Although this continues to be a one-day event, the behind-the-scenes planning begins in earnest each January. Dedicated committee members and additional volunteers work tirelessly for months to offer a fun-filled "community event" that is "more than just a car show". Please join the fun! For more information about the In-Vette-Tational, to register your car or to sponsor a trophy, email: IN-VETTE@SKYLINEDRIVECORVETTES.ORG.

## BE AN IN-VETTE TROPHY SPONSOR

Like everything else, the cost of trophies for the In-Vette-Tational have increased substantially. Please consider being a trophy sponsor. The cost is \$35.00 for an individual or \$50.00 for a business. All those who contribute to the cost of trophies will have their name/company name listed on a large poster at the In-Vette. If interested, please print and complete the "2022 Trophy Sponsor Invoice"(in this newsletter) and give to Ken Speicher or Lorrin Young along with your check.

# 42<sup>ND</sup> IN-VETTE-TATIONAL SHIRTS AND CAP

For 2022, we've returned to navy blue shirts but with white trim around the collar and sleeves, and with

the same color logo we had for the 40<sup>th</sup>, updated to "42nd". The man's shirt is again a polo and we were able to find both short sleeve and sleeveless companion styles for the ladies. Samples will be brought to future meetings / other SDC events when they are ready. The cap that has been selected is currently in limited supply but we are hoping for greater availability in the next month or so.

**In-Vette shirts and caps will again be sold on the SDC online store** through Rockhound Apparel and will be open **from May 16<sup>th</sup> through June 13<sup>th</sup>**. The procedure to get to the In-Vette items will be the same as for the regular SDC online store, but you will **click on an In-Vette logo** instead of the SDC pagoda. (see instructions at the bottom).

Rockhound has agreed to begin processing our orders mid-way through the open period to avoid having to do them all at the end of June. Hopefully, those of you who order early will get them early, and everyone should have them by the end of June. To place an order after the online store is closed, please call Katy directly (contact info below).

We hope to see you at the In-Vette!

## Skyline Drive Corvettes' Online Store

**Monday May 2nd through midnight Monday May 16th 2022**

The SDC online store has been a work in progress since we have asked for a greater number of items and larger color selection than Rockhound typically provides in their other online stores. Some changes (in red below) have been made that will take Rockhound a lot less time to create each SDC store while giving us access to all of the colors available for each item (we were previously limited to 3). We have not yet seen the new design layout, so please be kind if the changes as described below are not perfect. Your input is always welcome as we try to make this a good experience for the members.

Betsy Messner and Donna Baumener

Please remember, the “normal” procedure is for Rockhound Apparel to take 2 weeks “following the closing of the online store” to complete the orders. Rockhound will notify you by email when your order is ready for pick-up, or delivery by mail to your home, depending upon the option you select.

Feel free to contact **Rockhound's office manager, Katy Rothenberger** with any questions, at (484) 930-5957 or [katy@rockhoundapparel.com](mailto:katy@rockhoundapparel.com), or visit the shop Monday through Friday at 140 W. Penn Ave., Robesonia, PA 19551.

### **2 ways to get into the online store:**

1. Go to Rockhound Apparel's website - [\*\*rockhoundapparel.squarespace.com\*\*](http://rockhoundapparel.squarespace.com)
  - Click on “MARKET” at the top of the page

2. Go directly to the SDC online store by entering - [\*\*rockhoundapparel.squarespace.com/skylinedrive\*\*](http://rockhoundapparel.squarespace.com/skylinedrive)

Once you are in the online store, scroll down to select an item that you might like. Most are available in sizes up to 4X for both men and women. **Each item should be shown with the traditional logo and the modern logo, as well as a few close-ups of the neckline, etc. Below, there will be a thumbnail picture of the item in every color available. Click on the one you like to see it larger. There will be a place for you to choose the logo, drop boxes for you to select the size and color, and another box to enter quantity.**

Please note that items with the traditional logo are several dollars more than those with the modern logo due to the embroidery for the traditional being more intricate and taking more time to complete.

### **Steps to place an order:**

1. Click on the item of your choice. You will see a description of that item.
2. Scroll down to select the color from the drop box. (click on icons at the very bottom to see the item in available colors.)
3. Select your size from the drop box.

4. Make sure the “quantity” is correct, then click on “ADD TO CART”.
5. When shopping is completed, click on the cart in the upper right corner, then click on “CHECKOUT”.
6. Enter your email address, click on “CONTINUE”. (you don’t have to subscribe to their mailing list)

**If you don’t see what you’re looking for in the SDC store**, considering checking out what other styles might be available by going to Rockhound’s website at [rockhoundapparel.squarespace.com](http://rockhoundapparel.squarespace.com). In the upper right corner of the Home page, click on “Price Quote”. You will then see links for Rockhound’s vendor websites. Most of the SDC items are from SanMar. Feel free to browse the vendor sites. If you see something you like, jot down the style/model number and contact Katy. She will be able to tell you if it is available in your size and the color you want, as well as give you a price with our logo.
