IN-VETTE-TATIONAL NEWS

by Bob Messner

43rd Annual In-Vette-Tational – Saturday July 15, 2023

In-Vette-Tational, and the In-Vette Committee’s planning is going very well. A note of thanks goes out to our Committee Members, Club Members, and Sponsors for your great support and commitment towards making our show successful. Reminder to pre-register your vehicles using the registration form included on the back of the flyer found at the end of this newsletter.

As I previously identified there are multiple ways that each member can help us on the day of the In-Vette, it is fun and always appreciated. Contact me if you can share a few hours of your day. Anytime that you attend any car show from now until July 15, please take copies of our flyer and help us by dropping them on the show car seats, it is one of the best ways to advertise our show. Contact me for flyers and I will be happy to provide copies for your distribution.

Again this year we will have our show advertised on electronic bill boards around the Reading area as we get closer to July 15. Special thanks to Lamar Advertising for sponsoring our In-Vette by donating the time and efforts of their graphic artist and display time when it is available.

60TH ANNIVERSARY 2024

By Ted Stalnecker

2024 will be Skyline Drive Corvette Club’s 60th Anniversary. This is the clubs anniversary and not the committee’s so we ask everyone to participate. Bring your celebration ideas to the next meeting to put on the anniversary idea list. Once we have as many ideas as possible we will be sending out a survey via email to ask your interest level for each idea. Once all the information is gathered the committee will look thru the results and see how we can make it happen.

THANK YOU

AAA ARTICLE

The following article will be published in the May/June issue of the AAA Berks 'On the Go' magazine.

Celebrating 70 Years of America's Legendary Vehicles 1953 – 2023

Summer is right around the corner and, for car enthusiasts, that probably means going to car shows. Whether you want to show off your own awesome set of wheels, or you just like to see what's out there, car shows can be a lot of fun. But, many are "just car shows". The Skyline Drive Corvette Club's (SDC) yearly show has become a "community event", so mark your calendar and join us! SDC's 43rd Annual In-Vette-Tational will be held on July 15, 2023, rain or shine, at the Oley Fire Company Fairgrounds, 26 Jefferson St., Oley, PA 19547. All makes and models of cars, trucks, antiques, customs, street rods and muscle cars, are welcome.

But don't stop reading! If you are among those who don't usually go to car shows, have you considered that they can also be educational experiences in an outdoor setting, where you can get as much or as little exercise as you want, and that the whole family can enjoy? And, general admission is free. This just may be the show for you!

Do you like historical facts? It has now been 70 years since the first Corvette rolled off the assembly line in 1953 in an effort to boost Chevrolet's slumping sales. Many GI's who were sent overseas during WWII had seen the small, fun sports cars that darted along rural back roads throughout Europe. Roadsters from brands such as MG, Alfa Romeo, Aston Martin, Jaguar and Fiat were all inspirations for Chevrolet's new car. The 1953 Corvette, a two-seat polo white roadster with red interior (the only color-combination available), had a 150 horsepower inline-6 engine and a two-speed automatic transmission. It featured a fiberglass body which was cutting edge at the time and began a long-standing tradition of using this lightweight material. Of the 300 cars Chevrolet had expected to sell, only 183 made off of the dealerships' floors. It was a lackluster start to a car that was to become a performance icon and "America's sports car".

The 2023 In-Vette-Tational will be a great place to see and learn how the Corvette line has evolved. At least one "Vette" from each generation, with its own unique designs and features, will be on display. Since its debut, there have been a great many body-style and performance changes, resulting in the current eight unique "generations" (C1 – C8) of Corvettes. While you may be familiar with the iconic "Stingray", "Grand Sport", "Z06" and supercharged "ZR-1", do you know which generation was dubbed "Sharknado", or why the 1978 Corvette quickly became known as "Big Booty"?

Are you interested in economics? It certainly has had a huge effect on the automotive industry. You might remember when the powerful, gas-guzzling "muscle cars" were kings of the road, but do you know why that era came to a screeching halt? Do you know what model year was skipped by Chevrolet and why time was taken to redesign the Corvette from the ground up? And, after a decline in horsepower, when did producing a high-performance car again become a priority for General Motors? Find out the answers to these questions, and more, at the In-Vette-Tational!

Not a fan of Corvettes? That's ok, the In-Vette-Tational has you covered. Other "legendary vehicles" will be on display along with the eight generations of Corvettes. Or, bring your own and enter it in the show for a chance to win one of the 48 trophies to be presented.

Still not quite convinced? There is so much more to do at the In-Vette-Tational... Enjoy live music, the 'loudest exhaust' competition, raffles, Wheelbarrow of Cheer, Tricky Tray Auction and a demonstration by the Berks County Sheriff's Dept. K-9 Unit. Explore "vendors' row" to see what goods and services are provided by auto-related and "other" businesses. Stop by the AAA table to get all of your AAA questions answered, then check out interesting displays set up by local veterans' organizations, the Reading Fairgrounds Racing Traveling Museum, the Boyertown Museum of Historical Vehicles. and others. Find something to read at the Oley Valley Community Library book sale, and enjoy good food from the Oley Fire Company.

Do you like to give to a good cause? Here's your chance to support your community while having a lot of fun! A large portion of the show's proceeds goes to the SDC Scholarship Fund, veterans' organizations, high school ROTC programs and other local charities. This year, in honor of the Corvette's 70th anniversary, the SDC Scholarship Fund will award scholarships totaling \$6,000 to qualified students selected from Berks County's vo-tech schools, who want to further their education in the automotive field. Now do you believe this really is more than just a car show?

To see highlights of the 2022 In-Vette-Tational, watch the BCTV Victory Show! Video on You Tube at <https://youtu.be/S6ZInZECqOc> or Google BCTV.org/Skyline Drive Corvettes' 42nd In-Vette-Tational. For more information about the In-Vette-Tational, to register your car, or to sponsor a trophy, email: IN-VETTE@SKYLINEDRIVECORVETTES.ORG.

SHIRTS AND CAPS FOR THE IN-VETTE-TATIONAL

In-Vette-Tational shirts for both men and women, and caps, will be again be available for purchase through Rockhound Apparel. The selection and pricing should be finalized by the end of April, but not in time to include that information in the May newsletter.

Please watch your email for a blast with pictures and a description of the items, prices, and dates that the online store will be open.

Rockhound is again going to open an online store just for the In-Vette merchandise. If you haven't used the online store in the past, consider giving it a try... it's really easy and convenient.

There are 2 ways to get into the store:

1. Go to Rockhound Apparel's website - rockhoundapparel.squarespace.com
 - Click on "MARKET" at the top of the home page
 - Scroll down and click on the In-Vette-Tational logo -----

OR

2. Go directly to the SDC store - rockhoundapparel.squarespace.com/skylinedrive
 - Scroll down and click on the In-Vette-Tational logo -----

Once you are in the online store, scroll down to select the item/s that you would like to purchase. Add items to the cart and proceed to "checkout".

Your order can be shipped to you for a fee, or you may pick it up at their shop during regular business hours (M-F 9:00 - 5:00). If you aren't a fan of computers, call Rockhound and Kathleen or Katy will be happy to take your order over the phone.

Rockhound Apparel 140 W. Penn Ave., Robesonia, PA 19551 (484) 930-5957 (office) (484) 955-9969 (text)

The In-Vette-Tational does not mark up the prices and makes no money from the sale of these items, but please consider showing your support for the In-Vette and SDC by wearing a shirt and/or cap!

Want some other SDC apparel?

If you are new to the club, or are just interested in a few new SDC items (shirts, sweaters, jackets, caps, coolers, etc.), Rockhound's website gives you access to the online catalogues for their 4 main vendors. On the Rockhound home page, click on "Price Quote" at the top of the page. Scroll down to see what's available from SSActivewear.com, Sanmar.com, AlphaBroder.com, and AugustaSportswear.com. You'll find hundreds of items for men, women and youth, in many colors, styles and sizes. Check them out from the comfort of your home.

If you have questions about the merchandise, Katy is very knowledgeable about the fabrics, sizing, etc. and will be happy to help you. Rockhound's prices are also usually a bit under those shown in the catalogues. Rockhound is authorized by SDC's Board of Directors to offer a choice of 2 embroidered club logos; "traditional" (with the Corvette and pagoda) and "modern" (simple Corvette outline). There is no charge for the embroidery.

Rockhound can also help you create your own small customized embroidered design but will add a one-time setup fee for anything they haven't done before. For big jobs (back of your jacket, etc.), contact Hess Embroidery.

BE AN IN-VETTE TROPHY SPONSOR

Like everything else, the costs of trophies continue to rise. Therefore, we are again seeking voluntary contributions to sponsor trophies for the 2023 In-Vette-Tational Car Show. Last year we were fortunate to have numerous sponsors; both individuals and businesses. The cost is \$35.00 for an individual or \$50.00 for a business. All those who contribute to the cost of trophies will have their name/company name listed on a large poster at the In-Vette. If interested, please print and complete the "2023 Trophy Sponsor Invoice" (in this newsletter) and give to Ken Speicher, Art Salyards, or Bob Messner along with your check.

IN-VETTE-TATIONAL - AUCTION AND LOTTERY TICKET DONATIONS

The success of our club's In-Vette Auction is made possible by donations from many local businesses, vendors, and our membership. A significant attraction to the Auction is the Lottery Tree filled with PA scratch off lottery tickets. Andy and Marie Stalnecker manage the collection of all Auction items and Janet Schmidt assists them with the collection of lottery tickets to fill the trees. An Auction donation letter that can be printed and used when requesting donations is provided at the end of this newsletter. For members supporting Janet to fill the Lottery Tree, there is an incentive program when you purchase and bring lottery tickets to our monthly membership meetings.

Everyone that first buys \$5.00 worth of club 50/50 tickets at any of our April, May, June or July meetings will have the opportunity to trade in their donated scratch off tickets and get additional club 50/50 tickets for FREE. The more you donate, the more chances you have to win the club's 50/50 drawing for cash or a NCM ticket to win a new C8 Corvette! Below is how it works.

Bring in a \$1.00 lottery ticket and receive 2 additional club 50/50 tickets - Bring in \$2.00 worth of lottery tickets and receive 3 additional club 50/50 tickets

Bring in \$3.00 worth of lottery tickets and receive 5 additional club 50/50 tickets— Bring in \$4.00 worth of lottery tickets and receive 6 additional club 50/50 tickets

Bring in \$5.00 worth of lottery tickets and receive 7 additional club 50/50 tickets

The only catch is you must buy your club 50/50 tickets first to be eligible. Anyone not wishing to purchase scratch off lottery tickets or forgot them, can buy their club 50/50 tickets first and give Janet the cash equivalent of the scratch offs and she will buy them for you.
