For young dancers in more than one dance, a tan camisole leotard with clear straps is recommended!

This helps with privacy backstage and makes costume changes easier for the dancers and backstage staff. Camisoles can be purchased at dance stores or online retailers such as Discountdance.com.

All undergarments should be flesh colored, have clear straps and not be visible under costume. No visible underwear, jewelry, or nail polish. Secure all accessories. All hair elastics, Bobbi pins & clips should match hair color. Write your name in all costume pieces & shoes. Steam Costumes to remove wrinkles.

Dancewear, shoes & tights can be purchased at
Toe Tap N' Tights, Salem, NH
The Dancer's Closet, Nashua, NH
