PRESIDENT'S REPORT

Another cold, wet, windy winter at Camp Pilly. During this time, we have had trees come down on several membership lots which resulted in damage to a couple of trailer covers and uprooted stumps. Pilly crew and some park volunteers did a lot of cleanup work.

We have cleaned up the burn pile area and hauled several loads of the composting debris pile and burn pile ash to a recycling site. After the cleanup, we placed new gravel to cover the mud and ash area.

The park has purchased three new deep fryers for the price of two and an ice cream freezer for the kitchen area. Electrical and plumbing repairs have been made to the pan abode living quarters. Also, repairs were made to the satellite bathrooms. Ron Large, board member, saw to the repairs.

New shower room benches were made by Jason Moen.

The Board of Directors have met regularly to take care of park business during the winter schedule.

Monthly water tests have been done and all have been good.

Past park member and board member, Ron Moran, passed away this last December.

Reminder: we go back to our regular monthly meetings starting March 3 at 10:00 a.m. at the clubhouse. Hope to see you all there. I would also like to welcome all the new members to our park and invite you to our monthly club meetings to learn about our park and upcoming events, and meet fellow members.

Respectfully submitted, John Moen, President

ALL THE NEWS THAT'S FIT TO PRINT

The Pilly eNews is a great way of staying in touch with all our camping friends. It's a monthly members-only newsletter, emailed during the March to October camping season. It's full of useful updates and activities around the park. We want to give everyone a chance of staying connected, so this spring, we will be emailing the Pilly eNews to all the members who gave an email address to the park. We don't want to clutter up your inbox, so if you don't want to keep receiving it, just unsubscribe.

SAVE THE DATE - MARCH 23RD- PILLY EASTER EGG HUNT

Meet: clubhouse at noon. Coloring eggs, a potluck sandwich bar and a egg hunt for the kids. Please bring 10 filled eggs for hunting. See FB or clubhouse for signup.

RANGER REPORT

Happy almost spring to all of you. I'm hearing it's right around the corner. HURRY! It's been a very different winter this year weather wise. Barely got any snow, a lot of warm temperatures, and lots of rain, and..... the wind. We had quite a few trees come down this year in many different wind storms. Kept us hopping.

On some what of a news flash, I'm not getting any younger and it's time for me to start the process of training someone to take over after me. It's tentatively a 2 year plan in which I will still be available even after that. There's a lot to be taught. We have chosen James Rhodes from lot 246 to begin training for the transition. You'll see him around, be sure to introduce yourself and say hi.

RANGER REPORT, CONTINUED

The first of June, I will begin my 25th year with Pilaguamish Community Club and I still love every minute of it, but I feel like it's time to have an exit plan. Enough about that for now, I'm not done yet.

Let's work on getting our lots ready for the upcoming camping season. Get your firewood orders in early so you can split it and have it ready for those campfires. \$50.00 for a bucket of rounds, splitter can be rented for \$65.00 a day, we provide the gas.

I look forward to seeing everyone soon and having a fun summer. Thanks for your time. No speeding.

Ranger Randy

*We are looking forward seeing you all! Have a great camping season!
Please volunteer on the holiday weekends, your help is indispensable.*

LIBRARY

Please keep our library clean and organized!

UNUSED LOTS - THINKING OF SELLING OR DONATING TO CLUB

During the year, especially in the spring, early summer, we have a lot of visitors and members looking to buy. If you have not used your lot for a couple of years and are thinking of selling or giving back to the club, let Laura Olson know. Call 360-691-7223 and ask for Laura. Remember to review the procedures on selling your lot in the rule book, section 14. MEMBERSHIP SALES.

LOGS BY THE BURN PILE

Maybe you've noticed the stack of logs in the burn pile area. We had a lot of trees come down over the winter, but please don't think they're abandoned and up for grabs. We cut these logs into rounds for the firewood we sell in the park. We'll have plenty to sell this year, so let Randy know if you need some to fill your woodshed. Get a bucket of firewood rounds delivered to your lot for \$50.

WHEN SELLING YOUR MEMBERSHIP

Just a reminder to members that all sales need to go through the sales office before becoming final. We need to know of your intent to sell, and make sure the lot is in compliance. Also, all fees, fines, and dues must be paid before transferring ownership. If you have any questions, please read Section 14 in the Rules and Regulations, or talk to Laura in the Sales Office

STAY IN YOUR LANE

Please remember that you are not allowed to go on another member's lot for any reason without their permission. If you see something that needs immediate attention, contact the Ranger.
