## EXTENDED PARKING REQUEST

Members in good standing may request an Extended Parking Permit for any vehicle left on a member's lot in their absence for more than ten (10) days. Members will be billed a monthly fee. A parking permit tag will be issued for placement on the vehicle. Please refer to the following Pilagamish Rules and Regulations to ensure compliance.

*Rule 22.2.1: Vehicles will not be left on a member's lot in their absence for more than ten (10) days without an extended parking permit.*

*Rule 22.2.2: The presence of a vehicle without an extended parking permit on a member's lot indicates that the member is using the lot. This usage counts toward the member's 182-day limit regardless of whether the member is on site or not.*

*Rule 22.2.3: Extended parking permits are available for a fee with prior approval from the board. The request for an extended parking permit must be submitted to the board of directors.*
