UNIFORM MANAGER: *Amanda Kalacanic / Beth Johnson*

- Marching uniforms--Need to have the marching band pictures done then proceed with getting quotes from dry cleaners for the marching jackets and have them cleaned after the holidays. I will check with Hulst and Sheldon cleaners. We need to ask volunteers to wash the bibbers, probably would be best to have them bagged ASAP after pictures and have volunteers return them before Christmas break, or distribute in January and request they are brought back at their earliest convenience with the February concert being the deadline.

- Concert uniforms--With the change of concert uniforms to dress blacks and not needing to be school issued uniforms, it is anticipated that the need for school issued uniforms will be greatly reduced as many students would prefer to wear their personal dress blacks. Mr. Wellfare stated that he can fit the marching students. If there is indication of great number of students, Beth might be able to come in to help.

- The men's black dress shirts will need to be ordered at some point to start building a collection of various sizes to satisfy the needs for rented uniforms so we are not borrowing from the orchestra program.

PIT CHIEF: *Shawn Hill*

- Golf cart needs a tune up, a few repairs and winterized.

SCRIPS: *Peggy Dion*
