2022 HIGHLIGHTS

We'd like to take a moment to reflect on 2022 at Brewery 99.

Here are some Brewery 99 Highlights. Happy Holidays & Cheers friends!

In the brewhouse, the crew worked hard to brew over 150 batches of beer, hitting batch 700 in November. In the taproom we've sold over 26,000 pints of beer. The top seller being the Tasty Pants Lager.

Construction of the new Taproom began in June. As of December 1: the concrete slab is poured, the parking lot has been redone, the walls are up, roof is on, the plumbing/HVAC/electric are almost complete. The doors, awnings, and siding will be here soon. Our estimated opening is early 2023. Thank you for going on this journey with us!

2022 CONTINUED

In February our favorite ball obsessed member of the brew crew joined us. Barley. She's sweet, friendly, and loves to chase a tennis ball. You have a good chance of meeting her when you come to the Taproom.

We hosted our first Friendsgiving Chili Cook Off. There were 11 chilis entered and it was devoured in less than an hour. We had a blast and look forward to doing this again. Pictured are the chili cook off winners: Chris Hill, Stephanie Skel (represented by her brother Hunter), and Paul Nonemaker

We joined Shortway Brewing Company in Trenton to brew the 99 Ways Imperial Pilsner, a collaboration beer in honor of NC Craft Beer month.

A'Lissa and Danielle went to Charlotte to participate in the 4th Annual Pink Boots Biere de Femme Beer Festival hosted by NODA Brewing Company. They took the Tasty Pants Lager and the Blueberry Coastalina Mist Hard Seltzer and came back with a new love of beer festivals in the rain and lots of great stories.

During the Pollock Street Block Party, we hosted a slow bike race and bike parade to raise money for Habitat for Humanity.
