

Good Shepherd Outreach & Missions

How does Good Shepherd Outreach impact the community and beyond?

We provide assistance to a broad range of ministries. In addition to financial aid, we also provide community organizing and program development, volunteer assistance, and we take leadership roles on boards that serve underrepresented populations to bring expertise and impact to established programs.

Does Good Shepherd only serve Christians or Christian groups?

No. We work closely with various religious, secular, and even public agencies. We strive to help all people who need assistance. We do not make distinctions on the basis of race, gender, sexual orientation, or religious affiliation. Our food pantry is a great example of our commitment to the community as a whole. *If you are hungry, we will feed you. Period.*

What are some of your programs?

We have a robust Outreach and Mission Ministry led by a board of dedicated volunteers which serves people in our local town, in our region, nationally, and internationally.

Did you know?

During the pandemic, Good Shepherd's Food Pantry not only continued to provide food to our economically affected neighbors, but we actually GREW the ministry to enable provisions for about 200 – 240 people each week. A true lifeline, the Food Pantry is one example of practical help that we are able to deliver in times of need.

This was only possible through the grace of God and the support of our neighbors – YOU!

Your support of Artie's Party makes a **REAL** difference in **REAL** lives every day. The proceeds from this event fund our outreach programs for a year. Our goal for 2024 is \$40,000. Please give generously, and thank you for your support.
