Adoption Study Advisement Form

Cause Number: _____

Children's Names: _____

I understand that the evaluator will attempt to obtain all relevant information from all sources needed to address the issues before the court. I understand and acknowledge that the evaluator will use his professional discretion in making any and all decisions regarding who must be contacted, how extensive those contacts will be, and what information should be obtained and reviewed. I recognize this includes review of any previous social study evaluations, custody evaluations or home studies if such reports exist.

I understand that that although I may be providing payment to the evaluator he is working for the court, under court appointment, and the outcome of the evaluation may or may not favor my position or be something that I am in agreement with. I recognize that I may refuse to participate in the evaluation, and acknowledge that the nature and extent of the consequences of any refusal to participate should be discussed with legal counsel.

Fees: I understand that a completed adoption study is billed at a flat base rate of \$700.00. This base rate covers interviews of up to 2 adults and all children involved in the case. There is an additional charge of \$50.00 per for each additional adult residing in the home.

The base rate also covers collection of standard collateral information, review of basic documentation, and completion of a report to the court. It does not cover review of depositions, review of extensive Child Protective Services records, or other substantial records review over one hour in length. It does not cover any administrative or other hearings related to this case. Unless otherwise specified, such additional work is billed based on a standard hourly rate of \$200.00 per hour.

Other costs: I understand that I will be responsible for any fees for production of third party records or other information related to this evaluation.

Additionally, I understand cancellation of any appointment with less than 72 hours notice will incur a one-hour service fee of \$200.00.

I understand that if my attorney or I request a court appearance by the evaluator there will be an additional fee of \$300.00 per hour, with a minimum charge of three hours. Such fees are due at least one week before the scheduled appearance and are nonrefundable within a week of the scheduled appearance as we must clear our schedule whether the hearing occurs or not. Please note: if an appearance request is received without a minimum of one week notice the appearance fee is due immediately and there will be an additional \$300.00 express charge. Failure to provide the fee as specified constitutes release from the requested appearance. After the report is filed any updates which are ordered will be billed at the

standard hourly rate with a minimum four hour retainer due in advance.

Travel: I understand that interviews with adults will generally be conducted at Mr. Craig's office, and that interviews with children will generally be in the home. A review of each party's residence is a mandatory part of the evaluation. There is no additional fee for studies conducted within 60 miles of Mineola, Texas. If the family lives outside of these counties an additional travel fee may be charged. Travel time is charged at \$100.00 per hour, rounded up to the nearest 15-minute increment.

For studies requiring airline or overnight travel I understand that in addition to the standard study rates fees are charged for travel time and travel expenses. Travel time is charged at \$100.00 per hour and is logged as any time spent from airport arrival to hotel and back again. Travel expenses include the full expense of the airfare, a hotel room, and a rental vehicle with gasoline reimbursement or taxi fees. An additional travel retainer will be calculated based on expected travel time and expenses and is due before any travel arrangements will be made.

Unanticipated costs: I understand and acknowledge that unanticipated circumstances may necessitate additional hours of service outside those estimated in the retainer. These include, but are not limited to: additional interviews; extensive telephone contact time; additional document review; any and all procedures to assess fresh allegations or issues which were not included in the original retainer estimate; and other case specific factors. Should costs rise above the retainer estimate I understand the evaluator will notify me or my attorney before proceeding further and the original retainer will be revised.

Contacting the evaluator: Outside of telephone contacts regarding scheduling, communication to the evaluator should occur in writing to the e-mail address, mailing address, or fax number as detailed on the first page of this form. Do not deliver information to the interview office, it should be sent to the mailing address. The evaluator may respond in writing or by telephone as deemed appropriate.

Services not provided: I understand and acknowledge that the evaluator is not providing, nor am I requesting, therapy, counseling, or any form of treatment. Should these or other service needs be indicated during the course of the evaluation appropriate recommendations will be made. I understand that the evaluator is not providing mediation, parenting coordination, parenting facilitation, or any other service outside of a adoption evaluation.

I understand that the evaluator is not an attorney and that if I have any questions regarding legal matters I should consult with an attorney. I understand that it is inappropriate for someone not trained as an attorney to respond to questions concerning legal matters and recognize I cannot request the evaluator to do so.
