Chemical Specialties Since 1969

Reputable

For over 50 years we have been here, providing solutions and helping solve problems. We, like any family-owned business, pride ourselves on our work. With the addition of the third generation to join the work force you can be sure we will continue to provide service and back-up for all of our products for years to come.

Reliable

We can help. With our years of experience, we can save you time, money and headaches. We will see to it that you are accurately informed of all regulations pertaining to the use of our products, including labeling, shipping, and usage. Authority in EPA, USDA, DOT and OSHA regulations.

Affordable

Our facility, with its multiple shipping and receiving docks, modern warehouse facility and expanded square footage, has enabled us to improve our service to our customers by increasing productivity, thereby reducing order lead time and helping to keep labor costs in line. This gives us the competitive edge that we need to keep prices affordable and earn your business.

Capabilities

Wide Product Offering We offer over 300 tested and proven formulas.

Custom Formulating We can manufacture to your specifications or analyze and match your existing products.

Delivery Our trucks give us the ability to schedule deliveries to meet your requirements.

Private Labeling We can custom decorate your containers with surprisingly low minimum orders. We will handle the complete job. Typesetting, artwork, silk-screening, or paper labels.

Contract Filling/Toll Blending We are happy to blend and/or fill your proprietary formulas. Filling capabilities from 2-ounce to 275-gallon totes and everything in between.

201 FORMULA 700
All Purpose Cleaner
<i>Industrial strength butyl cleaner formulated for removal of tough industrial soils, carbonized grease, oil, ink, gum etc.</i>
203 FORMULA 800 H.S.
Heavy Duty Cleaner/Degreaser
<i>Industrial and Institutional strength cleaner, degreaser, emulsifier. Also very effective as a pot-and-pan wash. Dilutes 1:256. Premium quality.</i>
204 FOAMEX
Loa Foam Neutral Detergent
<i>Low suds, high detergency, ideal for use in auto-scrubbers. Neutral pH. Can be used on finished floors.</i>
205 CARE
General Purpose Liquid Detergent
<i>Neutral pH. Very concentrated.</i>
206 CT-111
Ready-To-Use Glass Cleaner
<i>Non-Streaking, wipes off easily, leaves no residue.</i>
207 CT-111
Glass Cleaner Concentrate
<i>Dilutes 10:1. Non-streaking, wipes off easily, leaves no residue.</i>

20X CT-111
Glass Cleaner 20X Concentrate
<i>1 quart dilutes with water to make 5 gallons of ready-to-use glass cleaner.</i>
210 VORTEX
Auto-Scrubbing machine Detergent
<i>Designed especially for use in automatic floor scrubbing equipment. Low-sudsing.</i>
211 WINK
Pine Oil Cleaner
<i>For use in general cleaning and maintenance operations where residual pine scent is desired.</i>
212 SURFA – BLEND NB
Non-Butyl Cleaner/Degreaser
<i>Safe to use in areas where products containing butyl have been found unacceptable.</i>
213 R.P.M. (NON-BUTYL)
Heavy-Duty Auto Scrubbing Machine Detergent
<i>Designed especially for use in automatic floor scrubbing equipment. Low-sudsing. High alkaline.</i>
215 BULL PEN
Environmentally Friendly Degreaser
<i>Heavy-duty industrial degreaser. Non-toxic. No V.O.C.'s. "Simple Green" type.</i>

017 ECO – DET

Liquid Laundry Detergent
Economical neutral detergent for use in top load washers. Lemon fresh.

021 NEUTRAL

Laundry Sour
Neutralizes alkali and detergent residue in the laundry.

079 IRON – OUT

De-Iron Sour
Combats iron and rust as well as neutralizes alkali residue in the laundry.

602 KICK

Booster/Spotter
Liquid additive for use in boosting the cleaning power of laundry detergents when washing grease impregnated articles. Also use as a spotter for protein stains.

620 VISTA

Built Liquid Detergent
Alkaline detergent combining surfactants, water conditioners, and anti-redeposition agents. Lemon fragrance.

621 BREAK

Super Concentrate
Builder/Break for multi-component laundry systems.

625 ULTRA

Sour-Softener
Concentrated fabric softener, alkaline neutralizer and antistatic. Downey-type fragrance.

630 KHLOR EXTRA

Concentrated Chlorine Destainer
Brightens the laundry with 12% available chlorine.

640 FRESH

Non-Built Detergent
Concentrated liquid surfactant. Lemon fragrance.

645 EXCALIBUR

Non-Built Detergent
Multi component detergent suitable for industrial laundries.

655 SOFTY

Fabric Softener
Concentrated fabric softener and antistatic. Downey-type fragrance.

660 SUPERSTAR

Liquid Laundry Detergent
High alkaline, built detergent for industrial laundries.

500 FLEET WASH P
Heavy Duty Granular Truck & Vehicle Wash
<i>Use in automatic wash or manually.</i>
506 SHOWFOAM
High Foam Vehicle Wash
<i>High-foaming concentrate for professional car washes.</i>
508 HEFTY
Car Wash
<i>Concentrated liquid for removing soot, grease, and road film from automobiles.</i>
510 MOTOR DEGREASER
Emulsifiable
<i>Concentrated liquid for removing oil and grease from engines, small parts, air filters, etc.</i>
512 IMPACT
Whitewall Tire Cleaner
<i>Heavy duty concentrated liquid cleaner for removing embedded soils from whitewalls with maximum safety to rubber and chrome.</i>
513 HP – 100
Hi-Pressure Car Wash
<i>White, inhibited compound especially formulated for use in high pressure spray washing units.</i>

514 BRITE WITH LEMON
Auto Spray Wax
<i>Concentrated finishing rinse for application by self-service and automatic car wash units. Brightens colors, imparts luster, beads water. Can also be used in manual washing operations.</i>
515 SAFE – N – KLEAN
Heavy-Duty Tire/Wheel/Pre-Wash
<i>Three products in one. Foaming product removes the most stubborn soils with minimum of agitation.</i>
516 APPEAR CONCENTRATE 5:1
Dilutable Windshield Cleaner & Anti-Freeze
<i>Dilutes up to 5:1 depending on temperatures.</i>
517 APPEAR R.T.U.
Windshield Cleaner & Anti-Freeze
<i>Safe to 10°F.</i>
528A APPEAR WINTER BLEND W/POLYMER
Windshield Cleaner & Anti-Freeze
<i>Protects to -30° with rain sheeting.</i>
519 WASH – N – SHINE
Vehicle Wash with Polymer
<i>Mild, general-purpose detergent for all types of vehicles. Contains polymer protectant.</i>

055 SPRAY KLEAN AS

Aluminum Safe Granular Spray Cabinet Detergent

Non-foaming formulation.

066 FERRO DET

Granular Cast Iron Spray Cabinet Detergent

Non-foaming formulation.

128 D-FOAM 10

Anti-Foam Emulsion

For use in spray cabinets.

501 COLD SOLVENT DEGREASER

Water Rinseable Solvent

Multipurpose emulsifiable solvent for removing oil, grease, and even gummy deposits from metal parts. For all parts washers and soak tank operations.

504 TAR – GET

Tar and Asphalt Remover

Emulsifiable solvent for removing tar and asphalt, road film, grease, etc. from all vehicles. Will not harm painted surfaces.

505 MAXIMUM

Extra H.D. Steam Cleaner

High alkaline cleaner for use in steam jennys. Degreases, strips, and cleans.

787 SYN-COOL

Synthetic Metal Working Fluid

Water dilutable.

788 HOT VAT 788

Granular Hot Tank Cleaner

High pH, low foam.

1001 CLEAN PHOS SOAK

Liquid Iron Phosphate

Liquid immersion cleaner for cleaning metal parts prior to painting.

1004 MET SOLV

Metal Cleaning Solvent

Low residue, quick drying.

1005 RP RINSE

Liquid Corrosion Inhibitor

Reduces flash rusting on metal parts after cleaning.

1400 PARTS WASHER SOLVENT

Low Vapor Pressure Parts Solvent

Meets requirements of low vapor pressure for use in open parts washers.

1405 PARTS CLEANER WB

Water Based Parts Cleaner. Low V.O.C.

Replaces solvent parts cleaners.

WATER TREATMENT

QUARTS

808 WATER WETTER
Aids Water Penetration
<i>For use in firefighting, fertilizing, weed control, dust control, on roads and ball fields, crop and orchard sprays.</i>
810 MUD & SILT REMOVER
Concentrated Liquid Sewer Aid
<i>Helps remove mud and silt from sewer lines.</i>
812 CLEAR BLU HF
High Foam Drain Maintainer
<i>Keeps sewer lines clear and free flowing.</i>
855 TRACER DYE
Concentrated Leak Detector Fluid
<i>Detects leaks in sewers, pipes, underground tanks, etc. Red or yellow.</i>
877 SEWAGE PLANT DEFOAMER
Silicone Defoamer Concentrate
<i>Controls foam in sewage plants.</i>
890 BIO TECH LIFT
High Potency Self Dissolving Packets
<i>1-pound self-dissolving packets. Place in lift stations, holding tanks, sewers, etc. to loosen and liquify grease deposits.</i>

891 BIO TECH LAGOON
High Potency Self-Dissolving Packets
<i>1-pound self-dissolving packets. Place in lagoons, lakes, sewers, etc. to increase water clarity.</i>
894 BIO TECH BLOCK
5lb. Hanging Biological Block
<i>Block in mesh bag hangs in waste treatment lines, lift stations, sewers, etc.</i>
897 SEWER FOAM
High Foam Drain Maintainer
<i>For water-jetting sewer lines. Breaks up grease, oils, and other grime.</i>
898 ALL-FLOC
All-Purpose Flocculent
<i>Drips into waste stream, ponds, lagoons, etc.</i>
899 POLY X
Filter Press Residue Cleaner
<i>Cleans polymer residue from floors, filter presses, and other surfaces.</i>
1070 CALCIUM CHLORIDE PELLETS
94% to 97% Calcium Chloride
<i>NOTHING works as effectively at melting ice in low temperatures.</i>

280 M-TREET
Closed System Boiler Treatment
<i>Boiler shut-down maintenance. Controls corrosion.</i>
820 B-TREET
All-in-One Boiler Treatment
<i>Contains softeners, pH conditioners, polymeric additives. Aids in the removal of calcium, magnesium, and lime-scale build up. For use in steam systems. Not recommended for closed systems.</i>
832 S-TREET
Steam Line Treatment
<i>A concentrated blend of neutralizing amines for use in neutralizing carbon dioxide in condensate return water. Specify high or low variant pressure.</i>
840 O-TREET
Oxygen Scavenger
<i>Chemically reacts with oxygen to prevent corrosion in boilers.</i>
860 D-TREET
Descaler
<i>Descaler for boilers, closed loop systems, and cooling towers.</i>
