

22. Uncased firearms must be made safe.
23. No handling of firearms when people are down range.
24. Do Not rely on your firearms safety.
25. Keep all firearms unloaded until ready to shoot.
26. Know what is behind your target.
27. If an unsafe condition is observed it is your obligation to command an immediate cease fire.
28. When a cease fire is called, all firearms are to immediately be made safe.

Eaton Rapids Conservation club reserves the right to revoke, suspend, or deny membership in ERCC for violation of Shooting Range rules, or Shooting Range Safety Rules.

I agree to indemnify and defend ERCC against all claims, causes of action, damages, judgments, costs or expenses, including attorney fees and other litigation costs, which may in any way arise from me, my family, or my guests use of or presence upon the facilities of ERCC.
