Open Roads Fuel App. Save Money. Give Water.

Christmas in my family has always been a time to slow down, gather together, and celebrate the birth of our Savior. It's also a time for us to remind those closest to us how they've blessed our lives throughout the year. We'll often sit around the fireplace, read the Christmas story from the Book of Luke, and share a moment when a family member has been extraordinarily special to us during the year.

As I considered what to share in this newsletter, I realized that our Open Roads Family really isn't all that different from the one I grew up in. We've found that our RV community also likes to slow down around the holidays, join together with friends and family, and celebrate all the blessings shared over the past year.

This year, as we pause to celebrate the Birth of Jesus, we also want to celebrate you, our Open Roads Family, and tell you just how much you've meant to us this year. I am continually amazed at the outpouring of trust and support from our members. It feels much more like a community of friends than a business, and for that, I am personally and sincerely thankful.

From our family to yours, Merry Christmas, and best wishes for a safe and healthy New Year. Happy Fueling.

## HERRONS ON THE FLY

We are Herrons On The Fly with Mike and Glenda Boyer-Herron, a retired couple pursuing our dreams on the road in a 40' Tiffin Allegro Red motorhome. After dating in high school and then going our own ways, we got back together 42 years later. In 2018, we sold our home and started a full-time RV journey.

With the motto "Motion is the Potion," we believe in being active and enjoying our passions of birding, fly fishing, and traveling. Learning new things, visiting places on the bucket list, and spending time with the people we love keep us motivated to stay in the RV lifestyle. By sharing our adventures we hope to inspire others to keep moving, exploring, and learning. Motions can be birding in your backyard, exploring your community and state, or taking that fly fishing adventure of your dreams. The recliner is not your friend – get out there and see this beautiful country.

Several years ago, we signed up the gas-saving card and quickly became huge fans of the Open Roads Program. The savings are fantastic, and we really appreciate the savings with the price of RVing going up from campsites to diesel fuel. One of the unexpected perks is not having to go into the truck stop to pay for the fuel! Mike can take care of everything right at the pump. Thank you for the Open Roads Program, we love how easy it is to use and the savings.

**Luke 2:11**

“For unto you is born this day in the city of David a Savior, which is Christ the Lord.”
