# INFLUENCER CORNER

EACH MONTH WE WILL FEATURE A SOCIAL MEDIA INFLUENCER IN THE RV COMMUNITY THAT ONLY NOT USES OUR PROGRAM BUT IS A BIG CONTRIBUTOR TO ANYTHING AND EVERYTHING RV RELATED.

BE SURE TO GO AND FOLLOW THEIR PAGE!

Hello!! We are Mike and Missy, Grand Design Influencers that travel around this beautiful country together in our 2020 Momentum 395M Toy hauler. We sold our house in 2017, rented, prepped and then hit the road as full time rv'ers in 2021. He is a retired Captain of the Delaware Natural Resources Police and retired Sergeant First Class of the Delaware Army National Guard, while she retired in the educational system as an IT specialist. We love chatting with fellow RV'ers at campgrounds across America. We love, absolutely love the TSD card as it saves us an average of about \$87 a month! Using the truck lanes are such a convenience for us being a big rig owner. Fuel up, grab a snack, walk the dog, refuel and recharge!

## MAKE SURE TO GRAB YOUR PRINTED OUT RECEIPT AFTER YOU FUEL!!

There have been several questions on if you need your printed out receipt or not. Even though the receipt will always show you the retail price, here is a list of reason why it is always a good idea to grab that receipt:

- If you believe someone fueled up behind you on your card, this is the only way to dispute that transaction with the station. **You have to present your receipt to the station to get them to credit back your card.**
- By getting the receipt, you can verify that the pump has shut off for your transaction.
- If you have a question on you fueling, you can send that receipt to us so we can double check the transaction to make sure you where charged correctly.

## GASOLINE UPDATE

Due to circumstances beyond our control, the gasoline discount feature of Open Roads has been postponed indefinitely. This in no way impacts any of our current or future diesel fuel discounts. It's our goal to continue working towards new and innovative ways to save our members money and improve life on the road, including a gas option at some point in the future. We promise to keep you posted but in the meantime, please don't hesitate to reach out if you have any questions or concerns.

As 2023 is closely approaching, we are starting to gather information for rallies next year to send information/goodies, possibly attend, or do a zoom presentation. If you would like your rally to be on our list, please send Tara an email at [trape@myopenroads.com](mailto:trape@myopenroads.com)!!

Our office will be closed on November 24th for Thanksgiving Day!

The after-hours line will be monitored but please only call it for emergencies.

*If you have anything you would like to see in our newsletter, please send an email to Tara at [trape@myopenroads.com](mailto:trape@myopenroads.com) with your suggestion!
