INFLUENCER CORNER

EACH MONTH WE WILL FEATURE A SOCIAL MEDIA INFLUENCER IN THE RV COMMUNITY THAT ONLY NOT USES OUR PROGRAM BUT IS A BIG CONTRIBUTOR TO ANYTHING AND EVERYTHING RV RELATED.

We are Kevin and Dawn, of Nuttin Adventured Nuttin Gained.

We are full time RV and YouTube creators, who were fortunate to discover the Open Roads program, a few weeks before our journey began. Even though, our RV has grown up, from 28 ft to 36ft and now a 45 5th wheel, Open Roads has provided a savings on every refueling, up to as much as \$1.00/ per gallon. This nationwide fuel program, has wide fueling lanes, high volume pumps and even DEF at most pumps. The best part is seeing your savings instantly on the excellent app. While we are all saving money, TSD logistics has four different Charities, that they contribute to; even one that provides clean drinking water in areas where it is not available. So by using the "CARD", we provide an opportunity for TSD to help the world! (We think that's pretty cool!)

The best part (and our FAVORITE thing) about TSD and the Open Roads program, is it is absolutely free to sign up. (All the more reason to join!) So follow the link below, and join TSD, and start saving money today! Don't forget to follow along on our journies across the US, too, to see how we save along the way!

If you are looking for a rally to attend, here is a list of some that we have been made aware of.

September:

Dynamax
RVing Women
Grand Design
Discovery Owners National
HRRVC Eastern

October:

Wanderlodge Owners Group
AIM
Lippert
National HDT

If you would like us to present a Zoom presentation of our program at your upcoming rally or get together, please send an email to Tara at trape@tsdinc.com to get that scheduled!

If you have anything you would like to see in our newsletter, please send an email to Tara at trape@tsdinc.com with your suggestion! Be sure to check out our website, www.myopenroads.com, for all things Open Roads. Also if you need to send somebody the link for the application to join please use www.myopenroads.com.
