

## **Perfect Pinkies Covid Salon Guidelines**

How has the salon changed to ensure client and staff safety?

- The Salon has undergone a deep clean and will maintain cleanliness with regular disinfecting after each client during the Salon opening times and also a weekly clean outside of Salon opening times.
- Like all clients, all Beauty Therapists will have their temperatures checked each morning.
- All Beauty Therapists will be using face coverings and aprons at all times. They will also be using gloves for treatments to minimise skin to skin contact and visors for specific treatments where screens cannot be used.
- Screens have been put up at all nail desks to separate Beauty Therapists and clients.
- Nails Desks have been positioned to maintain sufficient spacing for social distancing.
- The reception and waiting areas will only be used by Beauty Therapists socially distancing. All clients will be asked to remain in the beauty area that they have used and the Beauty Therapists will take payment and arrange future appointments from there.
- The payment methods accepted are – exact amounts of cash or card payments.
- Pre-booked appointments – no walk ins.
- No facial treatments available until further Government Advice.
