The Great Wealth Transfer: Understanding

Derick D. Norris, Pastor

Founder for Melchizedek Tabernacle of Victory

Proverbs 13:22 states, *“A good man leaveth an inheritance to his children's children: and the wealth of the sinner is laid up for the just.”* Deuteronomy 15:11 states, *“For the poor shall never cease out of the land: therefore I command thee, saying, Thou shalt open thine hand wide unto thy brother, to thy poor, and to thy needy, in thy land.”* 2 Corinthians 9:6-7 states, *“But this I say, He which soweth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully.”* Matthews 6:33 states, *“But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.”*

Here are a few additional reference scriptures within the Holy Bible, King James Version:

Galatians 6:2,7; Acts 20:35; Proverbs 14:31; 19:17; Luke 12:33-34; 1 John 3:17-18

Understanding Goals
and Details

- Removing stress from barriers of mental, emotional, and physical variables that cause the lack of understanding in which yield undesirable outcomes
- Granting access for individuals to enter into a stronger state of spiritual maturity in the knowledge of Christ Jesus
- Receiving kingdom benefits of wealth to enjoy now and establish legacy while living here on Earth

So when will the Great Wealth Transfer occur? As soon as we gain sincere spiritual understanding of unity, aligning our hearts with the Word of God, and sowing our time, skills, and almsgiving into the true fertile soil of the Kingdom of God. It requires trusting the God that abides within our spirit man to do what is right in the eyes of God, walking and abiding in His holiness, righteousness, and unity by loving our neighbor more than ourselves, with the compassion of Christ.

The Great Wealth Transfer: Executive Summary

More details are available in the media kit found on the homepage for www.mtov.org

Alternative 33 Holdings Inc. manages the technical research and development corporation, which is co-owned by Service Connected Disabled Veterans. Our headquarters is based in the Delmarva Peninsula, on the East Coast of the United States. We champion in advanced medical technology innovation. We hold an active utility patent on a state-of-the-art, full service human diagnostic testing laboratory that specializes in providing real-time data transmission using 10G portable service for field emergency crisis interventions, and within traditional institutional diagnostic settings.

We deliver up to 750 polymerase chain reaction (PCR) test results and susceptibility ratings for all types of infectious diseases e.g. COVID, Malaria, Lyme disease, and Tuberculosis on our flexible platform in 15 minutes.

Our innovative technology has been approved by the Food and Drug Administration (FDA) and certified by the Clinical Laboratory Improvement Amendments (CLIA).

Our target market includes federal, state, and local governments-not excluding private corporations throughout the United States and worldwide, respectively.

Each testing system has the capacity of generating revenue up to \$300,000 per hour, or \$7,200,000 per day, or \$2,628,000,000 per year (results may vary).

We are seeking \$300,000,000 to expand our corporation both nation and worldwide, into the annual multibillion dollars diagnostic industry.
