

# VERTICAL BREAK SWITCHES

## EA1, EA, AND EAB

Available in ratings up to 4000A and 362kV, the EA family of aluminum and copper vertical break switches offers over 50 years of time proven design and manufacturing experience using the latest CNC and engineering technology.

15kV, 4000A - EA

3000 Ampere,  
5" B.C.

2000 Ampere,  
5" B.C.

1200 Ampere,  
5" B.C.

600 Ampere,  
3" B.C.

	Standard - EA1	Premium - EA	Elite - EAB
Primary Material	Aluminum	Aluminum	Copper
Current Range	1200A – 2000A	600A – 4000A	600A – 4000A
Voltage Range (nom)	7.5kV– 230kV	7.5kV– 345kV	7.5kV– 230kV
