

2024/25 Tuition Rates

Payment Plan Options:

Annual, monthly, and weekly payment plans are available. One annual payment is the **best value** and saves you an average of \$225 per year over monthly amounts. Annual tuition payments must be received by August 15. All monthly/weekly payments require enrollment in our Brightwheel payment program. Monthly/Weekly tuition rates are not based on attendance days - they are based on the annual rate divided into monthly/weekly payments plus service fees. Additional fees will be billed for late payments and returned checks. **All**

tuition payments are non-refundable and non-transferable.

STEAM Afternoon Curriculum: STEAM stands for science, technology, engineering, art, and math. This is a project-based curriculum offered for all age groups in the afternoons where children are encouraged to form questions and do research using hands-on exploration. Building on natural curiosity, children are encouraged to interact, question, connect, problem-solve, communicate, reflect, and more!

M - Th	FREE	\$ 225	\$ 325

Registration Fee

An annual registration fee of \$100 is payable at the time of enrollment for all students entering any 2PK/3PK class or STEAM VPK. There is no registration fee for state funded VPK from 8:30am to 12:30pm.

Supply Fee

Chapel School requires an annual school supply fee of \$50.00 per student. This fee allows us to purchase necessary supplies and utilize child assessment tools which measure the developmental trajectories of our students.

Kenneth V. Helms Memorial Scholarship Fund

Tuition assistance is available from Chapel School on an individual basis. Please see director for details.

Because tuition does not cover the full cost of education, each family will be called upon and expected to participate in our fundraising efforts.
