

---

## **Reserve Umpires**

Teams and Clubs that are required to supply reserve umpires are to ensure 2 (two) umpires present to the umpires' office for the allocated timeslot. Each umpire will be required to sign on beside the team or club that they are representing.

Each umpire will be required to follow the instructions provided at the time of sign on which will include a seat allocation. Each umpire will be required to sit on the allocated seat (provided outside the office) until half time or instructed otherwise.

Failure to complete the required reserve umpiring duty will result in issuance of a fine.

Please see the Umpires Convenor for further information.

## **Post Pad Collection**

The teams allocated to post pad collection duty are both required to ensure all post pads are collected from all courts and put back into the allocated storage shed.

**09.40am**
