I hope for most of us that we truly love each other and the work that we do together! Happy Valentine's sisters!

The ERA, a bill for the Equal Rights Amendment for Women was approved for the second time in New York State and now will be sent to the voters in 2024. Several of our members and our local club and throughout our Area 1 membership signed in support of this bill. Progress is slow but we will keep up the good work.

The United Nations will hold its 67<sup>th</sup> session **CSW** which stands for the *Commission on the Status of Women*. This will take place from March 6 to March 17, 2023, and will consider the priority of themes such as, Innovation and Technological Change, Education in the Digital Age for Achieving Gender Equality and the Empowerment of all Women and Girls. If you would like to attend the event held at the United Nations online. You can log on to the UN web TV or follow the [CSW 67 website](#).

Our Zonta Sister Coralie Joseph has been invited to be our speaker at the next meeting in February. She is beginning another project and will share information about this endeavor and hopefully ways that we might assist her.

We have not had any word yet on the popcorn fundraiser that has been started by our governor to raise funds for our entire district. Gigi is in Europe visiting her son at the time of this writing but has booked a time for our personal Zonta club of Westchester's fundraiser. More information on this when she returns.

Pamela Zimba who was our speaker last month will be celebrating the launch of lilac House (Mt Vernon) a prison initiative for women reentering society. She is looking for volunteers and will be hosting an open house at the end of February. Date TBA.

To observe *Black History Month*, our Area Director will present a litany at our next meeting. (You may be asked to participate). In closing, I am happy to share here another quote:

***"The need for change bulldozed a road down the center of my mind."***

Sincerely,

Dianne
