Dear Westchester Zontians,

Greetings and welcome back as we continue to stand with women and girls.

Before moving too quickly forward, I pause to acknowledge and celebrate the work of the Presidents that went before. Special thanks to our immediate Past President who was not only able to take this club through the pandemic, but she was able to successfully rally us to the accomplishments we made over the last two-years.

Our speaker to kick off our year has yet to be completed. Our October speaker will be Fordham University professor, Dawn Ravalia, woman prison expert working on a program that focuses on supplying support for women after they are released from prison.

Ruth Walters would like to begin a Z club program for young girls in Westchester and will outline her ideas at our upcoming meeting

Our Past President Joan would like to speak on the issue of possible advocacy for our group.

Congratulations to our treasurer Gigi and her husband on the birth of their fourth grandchild **Frederick Joseph Palmieri**.

The President of Zonta International, Ute Schultz, asks that we wear orange in anticipation of the United Nations International Day for the elimination of violence against women to be held in November, more on this later. Please submit any ideas

1. For programming that you have in mind
2. For fund-raising

Sincerely,

Dianne
