

Airport and Payment Instructions for Puerto Aventuras

*As you exit the terminal building, you will see many tour operators and transfer agents holding signs and waiting for their guests. You maybe approached by many other Operators- some are affiliated with unofficial Suppliers- offering transportation. They may also feed you with false and inaccurate information as to our whereabouts and existence, in an attempt to solicit business. **Please ignore these Operators.***

Look your chauffeur holding a **PARADISE TOURS** sign and your party name below and he will take you and your luggage directly to the villa or condo. You will need to pay the driver for the transport service in cash, US dollars are best, and if you have round trip reservations, please pay that amount in full and the driver will give you a paid in full voucher with your departure information. In case of a delay or other problems, here is the contact information for the **PARADISE TOURS** chauffeurs.

Note ** You will be solicited by various Operators offering Airport Transportation. Please do not accept these offers and look out for your Paradise Tours Representative.

In case of a delay or other problems, here is the contact information for the Paradise Tours representatives.
