# Notes About the Event

## Event Staff:

If you have a concern that needs attention, locate and notify a member of the planning committee wearing a safety orange t-shirt that reads “AUTHORITY FIGURE.” The registration table always has an authority figure if you have an immediate need.

## Registration:

The Allstar Family Fun Center opens at 10 AM on Friday and 9 AM on Saturday and Sunday. When you check in, you will receive a goodie bag and wristband. Day of event registrations will be available for \$35 but without a goodie bag.

All registrations will receive a wristband that provides proof of registration, which is needed to enter the activities area to attend the seminars.

## Seating:

We recommend bringing a chair, as we cannot guarantee enough seating at each venue to accommodate everyone. While there are some chairs at the Allstar Family Fun Center, seating may still be limited. X-pens and pop-ups are welcome on the lawns or in the activity area to keep your dogs safe and nearby, space permitting.

## Weather:

Even though most of the activities are inside, several will be outside and may not have tents available. Please come prepared for any type of weather. The event is held rain or shine. Be prepared. Space indoors can become tight if we have rain or cold weather.

## Code of Ethics:

This event is for dog lovers to come together to celebrate the breeds and the efforts to place them in loving homes. Everyone is entitled to personal beliefs, but you are an ambassador and advertisement for the breeds by participating in this event. Please be positive and respect others who may not share the same opinions. Civility is expected, and we reserve the right to remove anyone who is not being civil.

## Water for Dogs:

Water will be available in 2-gallon blue buckets in the off-leash play area and open locations around the building.

We cannot place water at frequent intervals inside the building due to safety concerns caused by water spills on the smooth concrete floors. We recommend bringing your own portable water bottle and bowl for your dogs.

## Clean Up / Poop Stations:

Be diligent about cleaning up after your dogs. We will provide bags and 5-gallon orange buckets at the Allstar Family Fun Center and the Eisenhower hotel grounds.

We must leave the grounds of each property cleaner than we found them. Gettysburg, local residents and businesses are going the extra mile to welcome our hounds and us sometimes in areas where dogs are not usually permitted. We must earn this privilege by continuing to be courteous guests.

There will be four cleaning stations inside the Allstar Family Fun Center: at the registration table, at the back door, at the raffle table, and at the wristband check table in the Activities area. These stations will contain everything you need to clean up any accidents you cause (or see). We ALL must participate in keeping things clean.

# Notes - Continued

## Leash Rule:

All dogs MUST be leashed at all times unless in the designated off-leash play area. Retractable leashes of any kind are NOT permitted anywhere during this event! This includes all event locations. No exceptions. Leashes should be no longer than 6' for safety reasons.

## Bring a Muzzle:

Muzzles are required in the off-leash play area for all large dogs during large dog play times. Small dogs (Ig-gies or under 30 pounds, do not need to be muzzled). Special hours for small and large dogs will be posted on the fencing around the play area. Please plan ahead and bring your muzzle(s). There will be a limited supply for sale by vendors if you need one.

**If your dog is known to be unsocial with other dogs, or small dogs, please wear a muzzle whenever inside the public areas (socials, Allstar Center, etc.). Turning your back for even a moment can result in a nose-to-nose confrontation.** In the past, we have heard of dog-on-dog aggression in the tight hallways of hotels and outside the dog relief areas. Please wear a muzzle on your dog when moving around in the hotels and the walking areas, particularly if you have multiple dogs because if they want to pull you toward another dog, they can do it unless you are on alert. This has happened: it's fast, awful and we just want you and your dogs to be safe.

## Red Bandanna Rule:

A red bandana worn on a dog indicates that the dog needs space for various reasons, including dogs that have a high prey drive or are not small dog safe, are nervous in crowds, or any other reason deemed important for the dog's comfort. **If you see a red bandana, please give that dog space.**

The red bandana should not be an excuse to ignore your own dog's behavior in a crowd. Pay attention to what your dog is doing. There will be small dogs around and possibly other breeds, and while they may seem social, nose-to-nose contact can quickly escalate into a fight. We don't want any dog-on-dog confrontations to ruin anyone's weekend.

## Helpful Tips:

- Please ensure your dogs are tagged with contact information, including temporary local information. Hopefully, this won't be needed, but better safe than sorry.
- Bring blankets to cover the hotel beds and bedspreads, or bring dog beds. Most hotels prefer you crate your dog while in the hotel rooms if possible but realize that this isn't always feasible.
- Remember to use the "Do Not Disturb" sign if you leave your dogs in your room alone.
- Ask your vet to recommend the best medication to have on hand if your dog experiences diarrhea from stress.
- A change in water may affect your dog, so consider bringing water from home if your dog is sensitive.
- Offer water regularly, even when traveling in the car. Panting/nervous dogs may dehydrate quickly.
- Walk your dogs before bringing them inside. If you have a dog who marks, consider using a belly band indoors. We will have some for sale at the GiG store if you need one.
- X-Pens are a great way to give your arm a break. There will be room to set them up both inside and outside.
- Bring a cleaning product for any accidents. Be sure that the product is safe for use on multiple surfaces.
- There will be designated dog walk areas and plenty of extra poop bags around the grounds. Please use them and clean up after your dogs.
- Bring a spare set of car keys, just in case.
- April weather in Gettysburg can be unpredictable, so pack accordingly for you and your dogs.
- Check your dog daily for ticks. They are common around Gettysburg and on the battlefields. Please visit the first aid station if you have trouble with a tick

That love has sparked a lifelong commitment to these hounds, including working at the Woodlands track until its closing in 2008. Her career as a vet also started with the racing industry and she has continued treating, working with, and researching greyhounds personally and through adoption groups. She currently has 18 greys of her own, mostly seniors or dogs with disabilities.          Dr. Lake has traveled from Kansas to be with us and we're keeping this about you. ## Poop Stations

There are several poop stations outside of the Allstar Family Fun Center and the Eisenhower hotel that will be cleaned on a regular basis. Poop stations will have rolls of poop bags and orange buckets for disposal. Poop bags are also provided in goodie bags.

Please, clean up after your dogs. This is vitally important to be welcomed back at venues and hotels. Also, try to walk your dogs outside before coming into any building to allow them to do their business.

There are clean-up stations with gloves, paper towels, and cleaner available if an accident does occur

## Off-Leash Play Area

A fenced area will be set up in one of the open fields all weekend for large and small dogs.

Do not put little dogs (under 30 pounds) in with big dogs... EVER...and all big dogs must wear muzzles (bring your own or buy one from one of our vendors). Littles are exempt from the muzzle rule.

**ALL DOGS IN THE OFF LEASH PLAY AREA MUST BE SUPERVISED AT ALL TIME. DO NOT PUT YOUR DOG(S) IN THERE AND LEAVE THEM, AND PLEASE PAY ATTENTION TO WHAT YOUR DOGS ARE DOING.** The "big" and "little" dog play times will be posted on the fence. Please be courteous.
