

OUTREACH

PREP SOAP

"Top Line Chemicals is dedicated to your bottom line performance."

Outreach Prep Soap is a gentle but effective hand or brush applied car wash soap. Its pH balanced formula distributes superior lubrication and cleaning for the difficult to reach areas that are often missed or inadequately washed in automatic car washes.

Outreach is free rinsing and an outstanding bucket soap for all over hand washing.

Recommended concentrations vary depending on product application, temperature, and local environmental soil conditions:

- Prep Bucket soap 1:128-1:76

Consult with your Top Line Chemical Solutions representative for maximum results.
