My child, there are great signs from heaven that come with the changing winds. I tell My Children that the enemy no longer hides but seeks to show his power by taking custody of your soul. My Child, My Children need to take this time to use their voices to defend the truth. Heaven is obtained when the truth is lived out on this earth, when the spirit of fear does not take the reigns over your heart, mind, and soul, when My Children seek to take the path that has been carved out by their creator instead of waiting in line to be marked for slaughter. It is time to awaken because the hour of greater unraveling is here. If the world does not awaken to My Mercy, it will only arise to My Justice. It is time, My Children, to live the Gospel message and allow the Holy Spirit to guide you. Nourish yourselves in the Eucharist, for without nourishment you will not sustain the battle that is coming, for I Am Jesus. Take the hand of My Mother, for she will always guide you to My Most Sacred Heart, where you will be protected from a world that seeks to diminish you.

This world as you see it now is coming to pass. Do not live in fear. Do not lose hope because I have already conquered sin and death through My Passion, Death, and Resurrection. Come live in My light and keep your eyes fixed on eternity, for I promise your reward will be great in heaven. Pray for those who have not taken heed to My Words of warning. Pray for those who seek the empty rewards of this life and only realize they have wasted time in not fulfilling their mission on this earth. Great change is coming, for the world can no longer sustain itself in the lies of the enemy. Pray for those who have guided so many into the darkness of sin. Pray for those who have placed their trust in a world that does not have the promise of eternal life. I Am calling My faithful to remain strong. Pray for My Priests, My Chosen Sons. Now go forth and live in My light, for I Am Jesus, and My mercy and justice will prevail.

My Child, I Am the God of order. I Am the God of mercy and justice. When the earth was created, I ordained day from night, light from darkness. I ordained male and female for there is no in between. Those who seek to ordain anything that is outside of that are not of Me. I Am not the author of confusion or fear. I come to tell you that greater chaos is going to spread all around this world when the scales of deception fall, and My people see the lies they complied with out

of fear. Sin is why illness, destruction, death come to mankind, yet My mercy overcomes all those things. When My Children no longer trust, they lose all hope.

My Child, governments will crumble and when you see France, Israel, Italy, and many others fall, know that the time of My Visitation is near. The voices of My Children will rise up because days of great mourning have come to this world. You cannot serve two masters. You cannot plead to your Father in heaven for peace but then comply to wickedness out of fear. You cannot say you defend life but then compromise another's to save your own. My Children, I Am calling out to you as I did to Lazarus to come out of the tomb and seek My Mercy for the hour has come. Now go forth, for I Am Jesus and be at peace, for My mercy and justice will prevail.

My Child, I Am the God of Mercy, the God of Justice and the God of Divine Warning. My Child, history is all around you. There are many today who seek to make themselves kings of their own kingdoms. Those who seek to obtain power and act as Pilate. There are many money changers today who linger within the walls of My Church that speak as though I Am speaking through them, yet their tongues speak no truth. There are those within the walls of My Church that seek to chisel away at the very rock I built My Church upon. This earth is going to rock and tremble. Those who harbor this sanctuary of deception that has been placed upon My People is soon to be demolished. I Am coming, My Daughter, and the world is soon to awaken to My Divine Warning. The world is soon to see all that is not pleasing to Me. Those who seek to interfere with the free will of his brother or sister do not come in My Name. The voice of My People is being suppressed by the great deceiver. Hearts must change because mankind cannot continue, on this same path. Now go forth, My Child, and be at peace, for My Mercy and Justice will prevail.

My child, I tell My children that your time on earth is not to be wasted. Each day, each hour, you are here to build up the kingdom of heaven. Let your time on this earth be fruitful. Let your work be done in My Name. Live, live out your vocation. When you are married, honor your spouse by being fruitful in your marriage, always striving in prayer and holiness to bring each other to heaven. Your children are each treasures of My Kingdom. They are too be loved, nurtured, and tended to as a farmer does to his crop. You are called as a mother and father to speak to your children in patience and love, for each one is a knitted masterpiece of My Father in heaven. Teach your children and form them as young disciples to go out in the world as a witness and example of the Gospel Message.

I say to My Priests, My Chosen Sons, you are called to unite My Children at mass. It is the time when heaven and earth are united. Each time you consecrate the bread and wine into My Body and Blood, you are bringing through your hands all who are gathered into heaven's sphere. Each mass that is said, each time that My Children come before Me in Adoration, they enter the sphere of heaven. It is time to call your children together and unite them with the truth, for I Am Jesus.

My Chosen Sons, you are entering a time when your vocations will be tested, when it will appear all is lost in My Church. Stay close to My Mother and you will be guided always as her son to her great triumph. When it appears that there is no tomorrow, do not lose your faith because great victory is coming. This is your calvary, My Sons. Those with true consecrated hands must carry the cross for you are My Hands and Feet on this earth. Now go forth, My Children, for this world is changing in the blink of an eye and it is through you that many souls will be saved. Now go forth, for I Am Jesus and be at peace, for My Mercy and Justice will prevail.

My Child, I tell My Children to gaze upon My Image. It is not just blood and water that poured forth from My Wound representing an ocean of mercy but an ocean of Divine Love. The only thing that can release a soul from the bondage of sin is My Mercy. The only hope for a soul to be released from the bondage of hatred, lust, gluttony, pride, hardness of heart is My Divine Mercy, for I Am Jesus. My Child, I tell My Children to come and reconcile themselves to My Love. Come to the seat of My Representative seeking hope, contrition, and a renewed spirit that seeks to live each day, each hour, being My Disciple.

I gave the keys to the Kingdom to Peter and My Church was built. There is no other that can complete your soul with the fullness of My Love. There is no other that can consecrate the bread and wine into My Most Precious Body and Blood than My Chosen Son, My Priest. Each one of My Priests is an ordained extension to Peter. There is no other than My Church that can release your soul from the bondage of sin. I am calling My Children to come to the great fountain of My Mercy, for I Am Jesus, and My Mercy and Justice will prevail.

My child, who is to comfort Me when even some of My priests, My chosen sons, are not armored with proper prayers? My heart weeps, and yet the only consolation I have is when I see those of My chosen sons who desire to live out their vocations, their eyes always fixed on Heaven seeking to do the will of My Father, for I Am Jesus, and My Mercy and Justice will prevail.

My Child, when My people seek to ask My Mother to intercede for peace in this world, heaven hears the cries of My Children. When it is done by those who seek to show the world a false light and false prayers in the name of peace and unity, no merit will come from it. Fruitful prayer only comes when hearts are pure, and holiness is being sought. Do not misjudge Russia because many do not truly see what is happening behind closed doors. Now go forth, for I am Jesus, and be at peace, for My Mercy and Justice will prevail.

My child, many ask you where are My words, why is your Savior silent? My child, I am where I have always remained—sitting in the silence of the tabernacle. Awaiting souls in Adoration and yet who comes? I ask My Children, are you seeking your Savior? Are you chasing a world that is being inundated with evil? The tide has turned and My Children need to heed the warnings that are all around them. Satan is seeking to gain as many souls as possible through the means of fear. He has unleashed his companions upon every corner of the earth in order to cause chaos and confusion. He has inundated the walls of My Church and he will take with him those who have complied to his wickedness. My Children do not be afraid, for as I told Peter, the gates of hell will never prevail against My Church. It is the only place in which heaven and earth unite because I Am present Body, Blood, Soul and Divinity. Those within My Church who have allowed evil to enter in their hearts and have guided many souls down the wrong path, will come to see the errors in their ways. I come to tell you that great change is beginning to unfold, and where it begins is in My Church, it will funnel throughout the world. Look to the roots of My Church, My Children, because when this false prophet begins to change the prayers of the Mass, the teachings of the magisterium, know this is not of Me for I Am Jesus. Just as the thunder follows the lightning, there is order in which humanity was created. As the passing of the true pope is shadowed by this false prophet, the changes will come like boxcars and so will the confusion. Pray the Rosary and seek discernment in all things because your true home is in heaven. Now go forth for I am Jesus, and be at peace, for My Mercy and Justice will prevail.

My child, I ask My Children why do you search for truth while surrendering to blind trust? Why do you seek refuge in a world that has no eternal reward? My Children, you see how the body is deprived without the sun, yet I say to you, there is greater deprivation to the soul without the Eucharist.

My Children, this world cannot redeem you, for that is why I came, for I Am Jesus, the redeemer of the world. Hell has been emptied out upon this earth and you must be more vigilant. You must not surrender blind trust to the enemy that not only seeks your body but to entrap and destroy your soul.

My Children, the world is on the precipice of great change. Never surrender to the enemy that seeks to strip you of your free will, to silence your voice that was created to proclaim the gospel message. This world is starving for love, starving for truth, and the only means in which your soul will be fulfilled is in receiving the Eucharist. If you thirst, then repent and you will find your soul in the radiance of My Mercy. My Children, everything encompasses the Eucharist, for I Am Jesus, fully present body, blood, soul and divinity.

I tell you now, My Children, that this world is changing and in the blink of an eye, mankind will have full knowledge of the state of their soul. Every soul will know if their ways are reflecting My light or immersed in darkness. Those who seek to do the deeds of Satan in the cover of darkness will have their place before the great judgment seat.

It is time to take heed to the gospel message! Live your lives by being My witness in this dark world, for I Am Jesus and My Mercy and justice will prevail.

My child, many await the day, the hour, for the great separation of My Church. Many wait in anticipation for greater signs to come. Do not be as the foolish virgins, for I say to you that the separation has begun. Those who seek to rewrite what has been written, to change the true teachings of My Church, do not come in My name and speak with the voice of truth, for I Am Jesus.

There are many who are clothed in My vestments but fall short of being My True Representative. My Chosen Sons, the time is now to prepare, to go out and witness in a greater way the gospel message. The time has come for you to open wide the doors of the confessional and invite your flock to repent of their sins. It is time to be firm in love by teaching your flock that this world has led them astray, yet the hand of their Creator is reaching out to them.

My Child, tell My Children that there is great merit in suffering. Tell My Children that heavens graces come upon those who share in the wounds of My Passion. Tell My Children that this earth is going to rock and tremble. Too many today have greater fear of the loss of worldly pleasures and do not fear offending their Creator.

I come to you in love, I come to you in mercy, I come to you in warning that the hand of justice can no longer be restrained. Do not become complacent with the teachings of the world because they are not truth. I Am Truth, for I Am Jesus, the light of the world. Come follow Me and I will shower you with great grace and keep you in the refuge of My Most Sacred Heart. Now go forth living the commandments, living the gospel message, for My Mercy and Justice will prevail.
