**3:35 PM**

My child, pray! Pray for your children. Pray so more can one day see My Kingdom. Too many today are listening to man's ways and not My ways. Go forth, My child, and My gifts will come through. Fast and pray and do as I am asking of you.

**3:15 PM**

My child, the time will soon come when My mercy will fall on them. Go and tell My chosen sons to prepare their flock.

**3:45 PM**

My child, pray! Pray for your brothers and sisters. Pray so they wake up before I shake this earth. Pray that they turn to Me for help and trust in My love. Pray before I rid this earth of all evil. The time will soon come when all will see their souls. Pray and trust in My endless mercy. This message, My child, is for the world. Pray and fast and remember I am always with you.

**12:09 PM**

My child, pray and fast! Pray for the time is at hand. Pray for the many innocent ones whose lives will be lost to the evil one. Pray for these leaders that they stop this war. Pray for I will soon shake this earth and My justice will prevail. The time, My child, is truly at hand for this world is in such turmoil. Pray for your brothers and sisters who are not prepared to meet Me at their judgment. Continue to write these words I give you. These messages are for the world. All must prepare for the time is drawing near. Go and do as I have asked and remember I am always with you.
