Physician Rest Home Recommendation

Patient Name: _____

Brookhaven Assisted Care is a state licensed Level IV Rest Home

Level IV Rest Homes provide 24-hour supervision and supportive services for individuals who do not routinely need nursing or medical care.

Rest homes ***DO NOT*** have on-site medical staff or services. Rest homes employ Personal Care Assistants. Medical services, VNA services, Ancillary Services, Psychiatric Services are contracted with off site vendors/facilities/hospitals/companies.

Level IV Rest Homes provide the following services

- Medication Management
- Minimal Assistance with ADL's.
- Resident must be independent/minimum assistance with transfers
- Residents must not have the following psychiatric issues:
 - No Aggressive or Disruptive Behaviors
 - No Suicidal/Homicidal Ideation
 - No history of ATOH or drug abuse

Rest homes provide housing, meals, activities, housekeeping services, meals and administration of medications for individuals who need a supportive living arrangement.

It is my professional, medical opinion that Brookhaven Assisted Care is an appropriate level of care for the above mentioned patient.
