### Payment Options

1. Payment is expected when services are rendered. To focus on our patients' needs, customer service and minimizing costs, we do not bill.
2. We accept debit cards, credit cards (Visa, Mastercard, Discover, American Express) checks and cash. All cards must be signed by the owner of the card.
3. When unexpected illness strikes a pet, unexpected expense strikes as well. Pet Care Clinic - Kuna understands this and can make some special arrangements through the CareCredit program. It takes just 5 minutes to complete an application and will allow you to break down your payment into 6 monthly installments. Call in your application over the phone for immediate approval or apply yourself online at:  
<https://www.carecredit.com/go/455MKD/>

Or you can use the attached QR Code to login and apply:

We cannot take payment from Care Credit over the phone as the cardholder must be present to sign with a driver's license or similar ID. This is a rule that we must abide by from Care Credit and do not have any flexibility with.

Highlights of the CareCredit program:

- Low monthly payments (3% of the total balance)
- Interest free for 6 months on balances over \$200
- Determine approval in a few minutes.
- No annual fee
