1 Crane Spreader Bar

- Choice of 4 crane spreader bar options and 7 forklift spreader bar options
- Use with rough terrain forklifts, either straight mast or extendable reach that accept forks 7" wide x 2 1/2" thick.
- Two separate hook points that allows the spreader bar to be suspended from a crane.

2 Crane Forks

- Convenient built-in vertical post handles to guide forks into load.
- Self-shifting (spring-loaded) load leveling pickup trolley keeps forks level when empty and maintains payload center of gravity.

3 Crane Trash Skip

- Constructed from heavy steel and reinforced at all stress points for long life
- Sloped skip end makes it safe and easy to discharge the load
- Available in capacities ranging from 5,000 lbs to 13,000 lbs

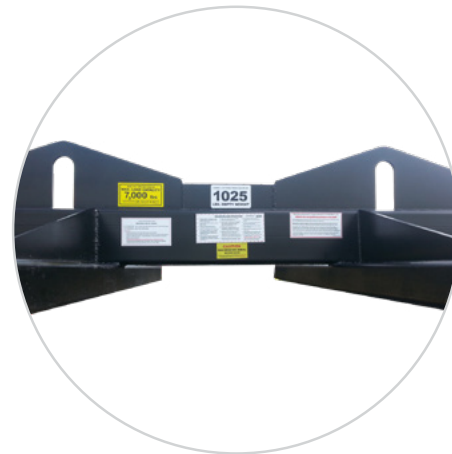

4 Crane Lift Box

- Crane Lifting Eyes provide a safe 4-point pick up (Rigging NIC)
- Fork Pockets allow for easy handling with a forklift
- Engineered to carry up to 4,000 lbs.
- Optional drop down door available in larger size. Contact us for details.

5 Wire Mesh Handlers

- Lift & transport wire mesh with ease
- Up to 7,000 lbs capacity
- Suitable for forklift or crane
