SKID-STEER

1 Mini Buckets

- Fits Bobcat Mini and all Dingo, Ditchwitch, Vermeer, Boxer and Ramrod mini loaders
- Square bottom permits 'back dragging' to level your work. Perfect for landscaping

Smooth and Tooth options available

2 Mini Root & Grapple Buckets

- Made for Dingo, Ditchwitch, Vermeer, Boxer, Ramrod and Bobcat Mini Skid-Steers
- Protective sleeves on all hydraulic lines

3 Mini Forks and Frames

- Big load capacities
- All welded steel construction
- ITA-style locking so forks can't swing out when loads are dumped

4 Mini Auger Kit

- Ideal for dirt, concrete and even solid rock
- Range of auger types and shaft extensions for all applications
- Extra heavy-duty components that outperform all other drives in their class

5 Mini Concrete Placement Bucket

- Built tough to take the abuse of a work site
- No moving parts to break or get blocked
- Open chute with gravity pour concrete
- Extra high back helps keep concrete splatter off the loader
