Editor’s Notes –

Congratulations to club member Lynda Gall on being awarded the Santa Barbara Kennel Club “2017 Honoree To the Sport of Dogs” in the Sporting Group. Lynda will receive her award Saturday night Aug. 26 prior to the Breeder’s Showcase.

2019 National Specialty

You may not have heard but the club has again been selected to sponsor a National Specialty. It will be held the week of April 15th, 2019 at the Pala Mesa Resort in Fallbrook. It’s going to take the village to bring this about and this new section of the Courier will be dedicated to keeping everyone informed and a venue for members to request help. The first thing will be the slogan. Eileen Weston is working on a logo and as soon as that has been approved, we will send it out to all club members for you to invent a slogan to go with it – I think everyone has seen slogans and logos from previous years. If not you can find 2018 on the ECSCA website. The Board would like the slogan to be approved by club members. And while you’re thinking about a slogan, think about fund raisers we can have. There will be a lot more to follow

IN MEMORIAM –

On 6/8/17 former member and great friend of the breed David Flanagan passed away at his home in New York. When David lived in CA he was a member of ECSCSC and sponsored a perpetual trophy for BOB at our Specialty. He was also a founding member of Shoreline Kennel Club. David was an AKC judge and truly loved the ECS. He was a veritable wealth of knowledge in the breed and could tell many tales about the “good ‘ole days”. David was also a member of the Parent Club and was the National Specialty Trophy chair for many years. His knowledge, wisdom and humor will be missed. We dedicated this summer’s ECSCSC Specialty to David’s memory.

Club Meeting Minutes–July 1, 2017

The meeting was brought to order at 11:50am by President Sally Rosenthal. Also present were: Sue and Troy Frye, Salli Burch, Lanore Matter, Dennis and Leanna Balzarini, Lee and Anne Tucker, Jack Pettee, Lynda and Bob Gall, Mary and Steve Volland, Bruce Barrett.

Report of President – Sally Rosenthal

Sally said we had another very successful specialty and thanked everyone for their contribution. Our club will be the host for the 2019 National Specialty. She will give details later in meeting.

The Peewee class at our specialty was a big hit. The kids and their dogs were adorable. Agreed to have it again next year.

Report of Secretary – Salli Burch

Salli mentioned an e-mail from AKC regarding Responsible Dog Ownership Day which takes place in September. Should we do some kind of activity for it? Suggestions were: a field day, a fun day. The Neely's backyard was mentioned as a possible site if they were agreeable. Another suggestion was to have a barn hunt.

Report of Treasurer – Jack Pettee

Jack deposited \$1245.00 into our account from the raffle, etc. proceeds. We made \$70.00 on the lunch.

Balance in the account: \$7172.78; of that Rescue has \$3432.58 and the general account has \$3740.20.

Jack still has bills to pay. Obedience bill for judge is to come: (we shared with Boxers and Bulldogs).

Sally suggested we use some of the money towards funds for 2019.

Report of Committees

2017 Summer Specialty: Many cheers for Sue as chair for the specialty. Very well done!!

Sue thanked everyone for their help, especially Peggy Clark, Gary Eck and Leanna Balzarini for terrific hospitality; and Anne Tucker for running a great raffle; Sally R. for such beautiful trophies and rosettes.

Obedience and Rally went well.

Comments on the catalog, (one dog left off the Sweeps listing) and spelling. Premium list: wording has to be correct regarding the trophies.

Sue commented that although Lea Plaut was pleasant to work with and was good at the show itself, she was not good about responding to Sue's emails and calls. Very frustrating. Would like to try another show secretary next year. Doris Bandoine (sp?) was suggested.

Leanna commented that if she had known Peggy was doing all the salads for the lunch, she would have offered to help.

Lynda remarked that had she known there would be ads in the catalog about David Flannagan she would have liked to place an ad. She said an e-mail should have been sent out to the membership about this.

(Club members are free to call Sally or any board member at any time if they have questions about something. Peggy's name was listed in the premium as hospitality chair; David's demise happened shortly before our show so Jack could have been contacted for ad info.)

Election of new members:

Marci and Steve Medof were voted in.

Unfinished Business

Leanna said that Deb did an excellent job on the Courier. Deb is still working on the website.

New Business

Report of Secretary – Salli Burch

Report of Treasurer – Jack Pettee

Balance in account: \$7,153.64; Rescue \$3,432.58 and general \$3,721.06. Jack said that we took in \$860.00 from the raffle and \$835.00 from lunch money. Lea Plaut gave him a check for \$40.00 for David Flanagan ad. Sally suggested that use the proceeds from the specialty towards the National Specialty, or at least a significant portion of them.

Report of Committees

2019 National Specialty: The specialty will be held at Pala Mesa Resort in Fallbrook, CA. Doug McFarlane is reviewing the contract

with Pala Mesa and will talk with Sarah Raymer there to iron out financial details.

Sally stressed that we need to get started ASAP on fundraising activities. We have a logo which Eileen Weston will work on. (It will be the logo she submitted for the 2013 National, but with a couple of small changes) Sally asks that the membership think of a theme for us to use.

Suggestions for fundraisers from the board are: No sew throws, T-shirts ; Leanna Balzarini suggested doing recycle drives. Hold all breed agility trials; have a fun day—charge a small admission fee; have agility seminar/workshop at Lainey's (charge about \$30.00); Jack suggested putting photos of dogs doing obedience, agility, rally, nose work etc on coffee mugs; Jack will be in charge of doing calendars—have club members submit photos to be considered (no more than 5 from each member); Gary suggested asking Lydia or Cindy (from Warner Pet Clinic) to do a seminar—charge people to audit, also possibly Dr. Dana Bleiffer to do one; Gary also noted the facebook ads about key fobs having “Dog home alone” in case of accident that people could buy; Shelley suggested having wine glasses made with EC head on them and selling two along with a bottle of wine; Troy suggested a yard sale where club members would donate their items to sell to the public. Sally said that she can embroider chair backs; we can get inexpensive directors' chairs at Harbor Freight (make sure the backs can be removed).

Salli will contact Bruce regarding having a health clinic at the next Conejo KC show(s). (Next spring).

Shelley is in charge of nose work.

Sally asked Jack to open a checking account for the National funds.

2017 Summer Specialty: Sue reported that she turned in all the paper work to AKC. There was no charge for the peewee class. She also sent in the report for the Review. Lea has not posted results yet on her website. Sally recommended downgrading

our rosettes for next year.

Old Business

Club members are asked to submit judge' names for our winter and summer specialties (2018); both for regular and Sweeps. Send them to secretary Salli Burch. Our standing rules state that we should try to use a panel judge for our designated winter specialty. The use of judges that are already on the all breed panels for both specialties saves money for our club. We will vote on them at the August meeting at Santa Barbara. We have not yet received the Judging Panels from the clubs, and will forward them on to the membership as soon as possible.

Meeting was adjourned at 1:45pm.

Respectfully submitted

Salli Burch, Secretary.

BOARD DECISIONS

Often time the Board must make decisions between Board meetings and therefore these decisions would not be in any minutes. It was determined in the May 24, 2017 Board Meeting that we need a method of informing the membership of these decisions. The consensus was that they will be published in *The Courier*. Therefore this new section has been added. Look for this in all subsequent newsletters.

Activities this period:

- 1. Dedicate the Summer Specialty to David Flanagan
