**Mary Hernandez - "How to connect with your Angels and using a pendulum"**

I am an Angel intuitive empath and a Reiki Master/Trance Healer. In my healing sessions your guides and or Ascended Masters will come through to help you to heal yourself. I connect with spirit intuitively and receive channeled messages from both your higher self and your guides and also from those in the spirit realm. I also bring forth messages using a variety of divinity tools. I am also a sound healer. I play the 7 chakra crystal bowls at ALEC. I am a host on the "Angel Answers" Blogtalk Radio show. I also create healing candles, one of which is a Mother Mary candle infused with love, blessings, and healing with a beautiful rose scent. The other candle is a 7 Chakra Healing candle. All candles are made with soy wax and cotton wicks/wood. I also do numerology readings; the greatest benefit of numerology is the gift of insight. I provide you with a forecast for the year with your reading, which can be booked online by going to my website at [www.theangelwithin.com](http://www.theangelwithin.com) We all have special gifts that are waiting for us to remember what they are. We all came here for a purpose. The more you can work with the Angels the more you will receive the answers you are seeking and the more aligned you are with your purpose in life. In this workshop I would like to teach you how to communicate with your Angels, Guides and Ancestors. I would also like to teach everyone how to use a pendulum.

#### **Dave Scarbrough: "Exploring Your Past Lives" - along with other holistic techniques to discover a more fulfilling life?"**

After earning degrees in business management and social work, Dave worked in the corporate world for a couple decades before he was inspired to start asking and exploring some of the larger questions in life like, "Who am I?", "Why are we here?", and "How should we live?" This was about 20 years ago, and he decided at that time to begin a dedicated meditation practice. This led him to the study of Hypnosis and Reiki, both of which he continues to study and practice today in the form of Hypnosis and Reiki sessions, as well as Reiki classes. Since then, he has broadened his practice through studying and receiving certifications in Meditation Training, Sound Healing, HeartMath® Breathwork, Emotional Freedom Technique, and Life Coaching. All these holistic modalities have given him a more positive outlook on life, and he uses them to help others do the same. Everyone's needs are different, but Dave greatly values his diverse experience and training, allowing him to tailor his treatment to meet the individual needs of any that engage with his services. Above all else, Dave hopes to assist clients with accessing their own innate healing abilities to combat whatever struggles they're experiencing.

I have traveled through different parts of the world to experience and explore different cultures of healing.

As a perpetual learner and teacher, I want to inform people of holistic remedies that are tried and true. Help your body to detox and feel fantastic with simple solutions. As part of my session I will provide additional resources for your holistic healing journey.

\*Please note that I am not a doctor and you should consult your doctors for any health concerns.

### **Lucy Frances - "HOLY FIRE III Reiki Talk and Healing Experience"**

More than just a talk, this is an easy and enjoyable way for people to be introduced to Holy Fire ® Reiki and Receive it's powerful healing at the same time. First introduced in 2014, Holy Fire ® Reiki comes from a higher level of consciousness. As a new form of Reiki, it is both powerful and gentle, providing purification, healing, empowerment, and guidance.

The word reiki is made of two Japanese words. Rei which means "Universal" and Ki which is "Life Force Energy." So Reiki is "Spiritually guided Life Force Energy." Reiki is a type of energy healing and a form of spiritual practice, used as a complementary healing modality, for physical, emotional, mental, and spiritual conditions. Reiki is best held in a peaceful setting, but it can be carried out anywhere.

Spiritual Horizons is a Spiritual Center anchoring the energy of these qualities into this part of the planet, to assist with the emergence of the New Golden Era. We are forming a Community, a community of Love and Light, as a visible manifestation of a New Earth. Our Mission is to embody these qualities as best we can, knowing we are not yet complete, so being patient with our own progress. Our Mission also includes assisting others with embodying these qualities for themselves, for as the energies shift, our way of living shifts.

## **James Hafer - “So How Does All This Work?”**

### **A Q&A session with medium James Hafer**

Have you ever wondered how mediumship works. Spend an hour with James, a clairvoyant medium for over 25 years. Ask all the questions that you have wanted to know about mediumship, and communication with those in spirit.

James discovered Spiritualism in the early 1980’s, when his journey led him to the renown spiritualist community, Camp Chesterfield. After walking through the gates of Camp Chesterfield, his life was never the same. It was at that point that spirit truly became a reality in his life.

James began taking classes at Chesterfield Spiritualist College (CSC) in the early 1980’s. He also began his journey with mediumship & attended development classes. Little did he realize at that time that he would become a resident teacher at the CSC, a certified development teacher, an astrologer, a gifted clairvoyant medium, and an ordained spiritualist minister.

It is a privilege for Rev James to work with spirit and to aid others in becoming aware & conscious of their own inherent true nature. Recognizing, understanding the spirit world, and how spirit works in everyone’s life is also vital to James’ work.

## **Debbie Keri-Brown: - “Somewhere Over the Rainbow” and “LIVING EULOGY AND HEBREW PRAYERS FOR THE DEPARTED”**

Rainbows have fascinated us for thousands of years and they continue to capture our attention. Hear about the fascinating rainbows that inspired Debbie Keri- Brown's boss to find deeper meaning in his life. Debbie was a paid rainbow researcher and will also share her wisdom on the meanings of rainbows in different cultures throughout time.

Join Debbie Keri-Brown for a living eulogy for those still alive in their physical bodies and a Hebrew service of remembrance for the physically departed. These prayers are for those who may be in the process of transitioning or experiencing changes due to health conditions. It's also for those living for whom circumstances have caused a separation and loss of connection to us or the divine. The grief you feel over the emotional losses is deserving of a special rite of passage.

So too, grief or death is not just death of the physical body. It can be the loss of a job, a relationship, the losses as our loved ones progress through various stages of illness, the collective losses in our community....anything where a loss has happened. It can be a spiritual death, where losing their connection to the divine for any length of time, can evoke a grief response in them or others. These could have been healthy or unhealthy experiences. A child's loss of his favorite toy or his favorite rose bush which could not survive the winter storm is no less important than someone's loss of a loved one.

If you have not been able to attend the funeral of a person who has passed from this physical plane, this service is also for you. It is suitable for anyone of any faith and has both secular and nonsecular spiritual components. If you would like to recite your own personal living eulogy or a memorial out loud, that is your choice or you can read/say it quietly. We will cut and remove the cords to experiences and people as your personal needs allow as we move thru these types of grief. Debbie will use various sound healing techniques such as a 528 HZ tuning fork and an historical Asian gong.

She is a motivational speaker on esoteric and spiritual topics as well as a nondenominational minister. Debbie is a Reiki Master chanting songs of peace and praise in six languages as she shares and channels the sacred energies. She is the recipient of the 2015 Spirituality Award from Purpose For Women.
