

About Us

Downtown Louisiana Tamale Shop is a small yet remarkable business that started in November 2021 from the back of a trunk. The business was founded by Darren and Joy Craney, a husband and wife team. Darren always appreciated his wife's cooking and saw her as a talented caterer when she cooked dinner for him and their large family of nine children. With their passion for food, they started selling tamales from the trunk of their car, and from there, they opened a big family business.

When you choose to support Downtown Louisiana Tamale Shop, you can expect to receive food that's made especially for you with the same care and love as a mother's cooking.

"Our food is sure to meet your expectations and leave you feeling satisfied."

Thank you for supporting our business, and we look forward to serving you.
