Our meals play a critical role in the full spectrum of services that help the underserved people in our communities. By providing our network of partner organizations with free meals, we bolster their food inventory and free up resources for their other programs, such as providing shelter, healthcare services, addiction recovery programs, and other assistance. By centralizing our meal production and diversifying distribution, via our partners, we are able to impact multiple communities across the area on a daily basis.

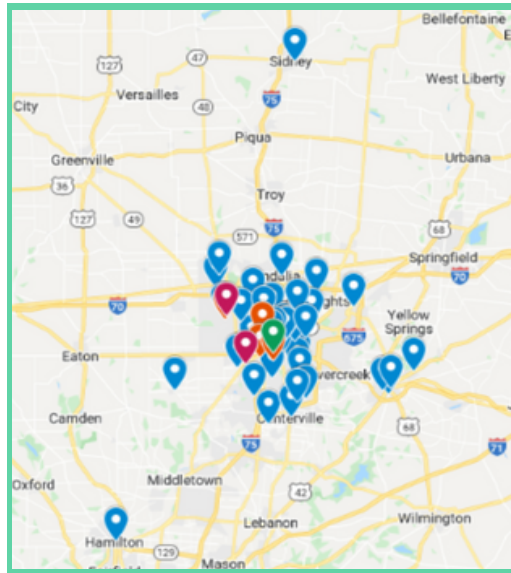

2021 Highlights

- We completed our kitchen buildout!
- In November, we hosted our 2nd Annual Turkey Takeaway with financial support from Feast of Giving.
- We partnered with Goodwill Easterseals Miami Valley Senior Community Service Employment Program.
- We piloted our Meal Masters community class at Gem City Market.
- MVM volunteers tallied 741 hours.

Our Reach

This map shows the total reach of our prepared meal program in 2021, in which we served **63 partners in 27 zip codes**. The top five zip codes served were 45410, 45402, 45417, 45406, and 45405.

"These meals open up the door for us to connect with the community and to allow the community to know that they're not alone A lot of times, people are suffering in silence, ... and through this program we've been able to provide them meals and ... to help them in other ways as well."
