## ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

April 28, 2024

5<sup>th</sup> Sunday of Easter

My friend and fellow pastor, Father Paul, noticed unsightly, overgrown trees near his parish church. He asked the maintenance crew to cut back the growth, which they happily did, telling him the trees would be much healthier and even fuller after a good pruning. A few days later, Father Paul received a letter from an irate man in the neighborhood who wrote, "Jesus would never prune trees like that. He loves trees, unlike you."

I suspect that the neighbor was not familiar with this week's Gospel in which Jesus says of his Father, "**He removes every branch in me that bears no fruit. Every branch that bears fruit he prunes to make it bear more fruit**" (John 15:2) I don't mean to pick too much on that fellow. He was perhaps ignorant of arboriculture. But I'd wager his main confusion was the pruning and removing quality of God's love. That confusion afflicts us all to some degree, doesn't it? It is just so darn easy to react negatively when God cuts something out of our lives and assume it's not his work at all. In the moment, all we see is the loss, and not the loving desire for future flourishing.

The cross is the great pruning of Christ's body. Jesus' rising is the brand-new growth. It is God's promise to us that all the painful pruning in life is leading us somewhere beautiful. What has been cut back or out in your life? A friend, an opportunity, a sense of certainty, a job, health, a relationship? This week, offer those dry branches to the one who lovingly prunes us in order to make our lives burst with verdant

## WHY DO WE DO THAT? - CATHOLIC LIFE EXPLAINED

### Canonized Saints

#### Question:

How does a person become a canonized saint?

#### Answer:

It is important to remember that all the saints are people, real people who lived just as we do! The first saints of the Church were martyrs or theologians known for a holy life. Over time, the Church has established a set process to investigate the causes of saints.

After a holy person's death, the bishop of their diocese initiates the canonization process with the Vatican. Typically, they must wait five years to ensure any false enthusiasm has lessened. With Vatican approval, the process begins and the person receives the title "Servant of God." The first phase involves collecting information about the person's life and scrutinizing it carefully. One person has the specific role of raising doubts — this is the origin of the phrase "devil's advocate!" When it is clear the person truly lived a heroically holy life according to Church teaching, they are declared "Venerable."

If the person is a martyr for the faith, they will also be declared "Blessed." If the person is not a martyr, they must be credited with a miracle. This is also closely examined for authenticity. Once the miracle is authenticated as truly a miracle performed by God through the person or through their intercession, they are beatified. An additional authenticated miracle is required before canonization, and we can call them "Saint."

## ¿POR QUÉ HACEMOS ESO? - VIDA CATÓLICA EXPLICADA

### Santos Canonizados

#### Pregunta:

¿Cómo se convierte una persona en santo canonizado?

#### Respuesta:

¡Es importante recordar que todos los santos son personas, personas reales que vivieron tal como nosotros! Los primeros santos de la Iglesia fueron mártires o teólogos conocidos por una vida santa. Con el tiempo, la Iglesia ha establecido un proceso para investigar las causas de los santos.

Después de la muerte de una persona santa, el obispo de su diócesis inicia el proceso de canonización ante el Vaticano. Por lo general, deben esperar cinco años para asegurarse de que cualquier falso entusiasmo haya disminuido. Con la aprobación del Vaticano, comienza el proceso y la persona recibe el título de "Siervo de Dios." La primera fase consiste en recopilar información sobre la vida de la persona y examinarla detenidamente. Una persona tiene la función específica de plantear dudas: ¡de ahí la frase "abogado del diablo!" Cuando está claro que la persona realmente vivió una vida heroicamente santa según las enseñanzas de la Iglesia, se la declara "Venerable."

Si la persona es mártir de la fe, también será declarada "Beata(o)." Si la persona no es un mártir, se le debe acreditar un milagro. Esto también se examina de cerca para determinar su autenticidad. Una vez autenticado el milagro como verdaderamente un milagro realizado por Dios a través de la persona o por su intercesión, ésta es beatificada. Se requiere un milagro adicional autenticado antes de la canonización, y podemos llamarlos "Santos."
