SOME POOLS ARE NOT BUILT TO MANUFACTURERS SPECS. IT IS IMPORTANT THAT YOU VERIFY THE DIMENSIONS

711 POOLS and its authorized distributors and dealers, as part of the swimming pool industry and members of the Association of Pool and Spa Professionals adopt those standards for the purpose of pool safety to prevent the risk of a consumer or guest from suffering a severe or paralyzing injury or loss of life due to diving into water less than prescribed by modern standards. Such injuries can occur by sliding head first into shallow water. We will produce the liner according to the dimensions provided only upon the following conditions: The customer recognizes that the pool may be of non-conforming type and - 1. Consumer agrees to permanently remove the diving board if it exists prior to the installation of this liner. 2. Consumer agrees to relocate sliding board if necessary, prior to installation of this liner, to conform to APSP standards. 3. Consumer agrees to defend, indemnify and hold 711 POOLS and its distributors and dealers harmless from any claims arising from injuries that may occur from the use of the pool containing this liner. 4. Consumer agrees that in addition to abiding to the conditions above, he will not allow use of the pool by anyone, including guests, which is inconsistent with this warning. I UNDERSTAND THE ABOVE WARNING AND RECOMMENDATIONS, CERTIFY THAT I WILL ABIDE BY ALL PERTINENT CONDITIONS, AND

REQUEST THAT YOU PRODUCE THIS LINER AS ORDERED. Your digital signature below and return of the document to PWH becomes the conditions confirming and binding the dimensions listed above as accurate and to be used in the production of the product.
