

Whom It May Concern:

We would like to first thank you for taking the time to read this flyer. My name is Kathleen Samson; I am the CEO of the Florida Tri-County Challenged Athletes Association. I would like to tell you a little history about our league. The Florida Tri-County Challenged Athletes Association was developed in 2005 after our children had reached the age of twenty-one and could no longer play under Little League rules. Knowing how much these kids enjoyed playing sports along with the friendship they have formed over the years, we knew we had to do this for them

We are a Non-Profit 501C3 organization and 100% of all donations and proceeds go right back to the organization for insurance, equipment and events, This association is strictly on an volunteer basis.

Our purpose is to help our players learn the basic skills of different sports, improve communication and social skills and good sportsmanship conduct.

Our Motto is **CHALLENGED NOT DEFEATED !!**.

I would like to personally thank you for taking the time to read this flyer. If you should have any questions please feel free to contact me personally.

Sincerely,

Kathleen Samson
