Mark Vosika Awarded Ethics Approved Status

The International Association of Registered Financial Consultants ([IARFC](#)) has recently awarded Mark Alan Vosika, Independent Comprehensive Financial Advisor, the “Ethics Approved Seal” for his adherence to the IARFC Code of Ethics.

This historical verification includes background checks from the Financial Industry Regulatory Authority (FINRA), state licensing records and internet recognition searches. A clean record for the past 5 years satisfies the IARFC requirements for being “Ethics Approved”

The IARFC Code of Ethics is the foundation of a relationship between a consumer and their financial consultant. It is founded on these 5 principles:

- ❖ I will at all time put my client’s interest above my own
- ❖ I will maintain proficiency in my work through continuing education
- ❖ When fee-based services are involved, I will charge a fair and reasonable fee based on the amount of time and skill required
- ❖ I will abide by both the spirit and the letter of the laws and regulations applicable to financial planning services
- ❖ I will give my client the same service I would give to myself in the same circumstances.

Mark A. Vosika has been serving clients in Colorado for over 22 years specializing in the areas of wealth preservation, maximum yields, safety of assets, tax reduction, & protection of life savings. His mission is to develop specific strategies for people and their families to help them achieve their financial goals, and most importantly establish financial peace of mind.

“This is an effort towards increased transparency”, explained Chairman H. Stephen Bailey. “The public is more educated than ever and needs assurance of the background of their financial professional and their adherence to a Code of Ethics. We are proud of our members who maintain this high level of integrity year after year”

The IARFC, founded in 1984, is a non-profit credentialing organization formed to foster public confidence in the financial planning profession. Their professional designations, Registered Financial Consultant (RFC[®]) and Registered Financial Associate (RFA[®]) are awarded to those consultants who can meet the high standards of education, experience and integrity that are required of all its members.
