

## **Seven Bridges Field Club Paddle Tennis Rules**

- 1) Seven Bridges Field Club is a private club. A member is required with each group.
- 2) The courts can be used from 8:00 a.m. to 10:00 p.m. seven days a week.
- 3) Please be sensitive to our neighbors. Excessive noise and light are not welcome.
- 4) Lights should be turned off when evening games are complete.
- 5) The preferred ratio of members to guests is one to one. However, a one to three ratio is permitted with certain conditions (please see below).
- 6) Members (full or paddle only) can bring periodic guests, and no guest fees are required. Regular guests who are not members of other local clubs are asked to become Seven Bridges Field Club members.
- 7) If a group with two or more members arrives, and there are no other available courts, a group with only one member is required to leave the court after the completion of the set. If a set has not started, the court with only one member should be vacated immediately in favor of the group with more members. A group with three or four members may not displace a group with only two members, however, in such situations, normal courtesies should be followed, please see below.
- 8) Should a group arrive while the courts are full, the maximum entire (not additional) playing time is one hour. Otherwise there is no limit.
- 9) Snow should be removed with plastic shovels (metal shovels destroy the surface of the courts), not with the heaters. Heating courts is expensive, and heaters should only be used to melt thin layers of ice/snow and to dry the courts.
- 10) Unlike full membership, “paddle only” membership is per person, not per family.
- 11) Pets are not permitted at the club.
