

Tarot & Oracle Readings

1

As a Tarot Counselor and certified Transformational Life Coach, I work with clients to provide supportive, empathic guidance. I use a unique blend of both tarot and oracle cards with every reading. My goal is always to empower the individual to achieve their highest good and experience their happiest selves.

Sessions are typically 20-30 minutes.

Reiki Chakra Healing

2

Combining Usui Reiki techniques with chakra tuning forks and shamanic drumming, I work through the client's chakra blockages restoring the free flow of ki energy.

Walk-in sessions are typically 20-30 minutes. Full 50 minute sessions are available for scheduling.

Tarot Workshops

3

I offer workshops on developing your intuition and using the tarot for manifesting. No prior knowledge or experience is required. Please contact me if you're interested in finding out when the next workshop will occur.
