

ABOUT US

Pioneer Homecare of NJ, Inc. provides home health care in New Jersey, servicing Bergen, Passaic, Essex, Morris, Union, Hudson and Sussex.

The Agency is a subsidiary of Pioneer Home Care, Inc., a family owned and run home care agency based in the Bronx, New York. Patrick and Patience Emenike combined their nursing and business expertise to launch Pioneer Home Care, Inc. in 1995. Their dream was to build a home care company based on the belief that quality care is a basic right and the patient's desire for alternative methods and sites of care should be honored. This vision serves as the foundation of the company today. Pioneer has grown to become a leading home care provider, offering home health care services to patients with chronic illnesses, disabilities and post-acute care needs in the five boroughs of New York City - Bronx, Manhattan, Brooklyn (Kings), Queens, Staten Island (Richmond) - and Westchester County.

Pioneer renders services to patients of all ages – from neonatal, infants, toddlers and young adults, to adults and the elderly. Services are personalized to meet the specific needs of our patients and their loved ones in their own homes.

Pioneer is committed to quality home care therefore our clients and their families can be assured that Pioneer will meet their home care needs.

Our Mission

To provide the highest quality, comprehensive services to patients and their loved ones in their home environment.

SERVICES

We specialize in providing nursing care to medically fragile children requiring tracheostomy, g-tube and/or vent care.

We offer professional nursing services for clients who need round-the-clock in-home nursing or part-time nursing at home. Our health care professionals are licensed, trained and screened to ensure the highest level of service to our patients. Medical plans prescribed by the patient's doctor are followed thoroughly.

Each client and employee is a member of our family and we take pride in understanding the needs of each and every patient. In addition to being trained to meet the special physical needs of our clients, our caring and friendly employees are selected to meet the emotional and cultural needs of the patient.

We are dedicated to improving patient outcomes and reducing avoidable hospitalizations. Pioneer's multilingual skilled nurses and coordinators are on-call to respond to client queries and requests – 24 hours a day/7 days a week. Pioneer has established relationships with community organizations, hospitals, local clinics, physicians, social service organizations and pharmacies to optimize patient's well-being. Pioneer is committed to providing the best patient experience and embraces all feedback from our patients and the community.

We have contracts with Managed Care Organizations and government entities. The Agency also provides home health care services to private pay clients.
