

Eastside 2023 - 2024 Calendar

Below is our tentative open and closure studio schedule.

Please be sure to check your e-mail and studio website for any updates to our studio schedule.

If you have not received any e-mails, contact the studio office to ensure we have your correct e-mail address on file.

First day of classes

Saturday September 16, 2023

Tuition: Tuition is an annual fee based on the number of classes for the entire dance season. Eastside has emergency closure days built into tuition. This allows us to close (if necessary) and you will still receive a minimum 28 guaranteed dance days for the 2023 – 2024 (September – June) dance season.

Inclement Weather: For inclement weather we **typically** follow the rule “When Toms River Schools are closed, we are also closed.” Please check facebook, instagram, website or call the studio ten minutes prior to your class when in question of closure.

TENTATIVE Recital Date: Saturday June 8, 2024 OR Saturday June 15, 2024. Recital date is subject to change. Official Recital date and dress rehearsal information will be e-mailed and posted when confirmed.
