About

Risk is the probability that a challenge will turn into a disaster.

The opposite of disaster is triumph, victory.

It is very complex in the art world, for an artist to create something new, it's risky!

When an artist is true to himself, searching inside him, creating and proposing, his risk pays off.

Those who risk with honesty and conviction, emerge victorious, winning the most difficult war in art: transcend.

– Héctor Díaz
September 2023

Artists

Duma Arantes | B. 1973 - Lisbon, Portugal

Valeria Reyna | B. 1993 - Tamaulipas, Mexico
