Chrysler Registry

October 25, 2002

Dear Chrysler Enthusiast,

1970 AAR Cuda VIN **BS23J0B294098** is now registered in the Chrysler Registry.

Production Figures list 2,724 AAR 'Cuda's Built for U.S.A.

1,120 4-Spds and 1,604 Automatics.

In addition, **139** AAR 'Cuda's are registered in CANADA.

To my knowledge, none were ordered for Export.

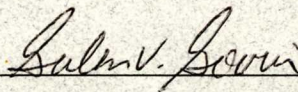

To date it is # **087** of **881** in sequence of 340-6bbl AAR 'Cuda's registered, and sold new in **the U.S.A.**

If you are in need of a radiator, look in a 1970 B or E-Body 318 with A/C PN2998974.

All known AAR Cuda's were built between March 11, 1970 and April 17, 1970 at the Hamtramck, MI Assembly Plant.

All known Challenger T/A's were built between February 04, 1970 and May 05, 1970. Only two with optional Sunroof exist.

If there is anything, I can do for you do not hesitate to write.

Galen V. Govier

Registered
0881 - AAR 'Cuda's USA
0139 - AAR 'Cuda's CANADA

GVG/gg

This document automatically does not mean that I have inspected the vehicle, or that I am stating it is an all numbers matching vehicle.

Keep the Faith

Note: A decoding of a fender tag or broadcast sheet by GTS/Galen Govier does not automatically mean that I have inspected the vehicle, or that it is an all numbers matching vehicle. For that reason, I cannot guarantee that my decoding truly reflects the correct/original/factory installed equipment on that vehicle.

Thank You
