1. Call to Order

Chair Leedle called the meeting to order at 6:03pm.

2. Roll Call

Commissioners present: Chair Jim Leedle, Bob Davies, John Johnson, Mary McIntyre, and Dan Schoonover. Also present, Candace Kinsch

4. Approval of Minutes: 3/22/23

Mary McIntyre made a motion; seconded by Jim Leedle to approve the meeting minutes contingent upon removing MB 700003 from consideration under 5(a).

5. Possible Action:

a. **Gary and Sandra Sibilsky; W670 N Bloomfield Rd; Tax Parcel # MA459700002**

Rezone and CSM Approval

Current Zoning: A-2 (Agricultural Land District)

Proposed Zoning: R-1 (Single Family Residence District)(unsewered)

- Jim Leedle stated he received 7 letters opposing the rezone.
- Atty Donner stated the A-2 description was incorrect on the agenda, as well as the description of what the Sibilsky’s are asking. Splitting their parcel is not to sell off immediately but as a future option. He believes this request is more consistent with the Town Zoning. He stated the following: (1) there is not a new development; (2) this would be a paper change only; (3) there isn’t a physical change; and (4) this parcel has not been farmed for decades. He stated R-1 makes the most sense by dividing 1 acre and a little over 1 acre since the property is taxed as residential property.
- Lori Adams stated there are covenants for the properties surrounding stating there shall not be businesses. She was referring to first the Wedding Barn and now the possibility of a short-term rental. She stated the lot line to be 17.5 ft.
- Atty Donner stated a business has not been suggested. This 1 acre parcel being proposed is not any different from the neighboring parcel to the north. No business is being brought before this commission. He stated the line was created before the purchase of the property, there is an existing condition and the neighbor’s parcel is only 1.1 acres. He believes it is a fair and reasonable proposal considering the problem was not the Sibilsky’s creation.
- Lori Adams reiterated what was said at a previous meeting about recouping expenses by selling.
- Atty Donner corrected her and said it would be an option at a future time.
- Dan Schoonover stated the Ordinance was already changed to accommodate the farm residence (i.e. the A-2 District was amended to permit a second farm residence under certain circumstances.)
- Bob Davies stated that in order to be rezoned and split, each property would have to have 150 ft of frontage and asked if the CSM would be a legal land division.
- Dan Schoonover stated that the proposal is inconsistent with the majority of the parcels around and the local residents are against this. He stated the Sibilsky’s initial proposal was for family use of the pole barn to be renovated to a dwelling on proposed Lot 1.

- Atty Donner stated the Sibilsky's are here to propose a rezone not a short-term rental and that is what the commission should be voting on. He noted that if the Sibilsky's wanted to use the dwelling on proposed Lot 1 for short-term rentals, they would have to obtain both County and State permits.
- John Johnson stated it seems like there have been inconsistencies in past meetings on proposals and that the current proposal is not sitting well with the neighbors which will cause other problems.
- Jim Leedle stated the proposal is to rezone one property that is surrounded by different zoning. He also noted that dwellings located on agricultural parcels were taxed as residences, even if the land was taxed on a use-value basis
- Atty Coletti said that the proposal was compliant with the lot width requirements of R-1 zoning as Lot 1 was accessed by an easement from across the property adjoining on the west.
- Atty Coletti wanted to clarify that the Town, Joe, or Jill did not do anything wrong in their dealings with the Sibilsky's and that the Town did not have to consider the Sibilsky's allegations of misconduct in deciding whether to approve the rezone.
- Atty Donner stated Joe did not, but Jill did.

Dan Schoonover made a motion, seconded by Bob Davies to deny the rezone for W670 N Bloomfield Rd (MA459700002). A voice vote was 5-0; motion carried.

Dan Schoonover made a motion, seconded by John Johnson to deny the C.S.M. for Tax Parcel # MA459700002. The motion was approved 5-0 on a voice vote.

b. **Fairwyn Trading Company; W197 Hwy 50; Tax Parcel # MB 100001** (*Discussion Only*)

Brad Pollard explained they would like to have an event barn from April to October at their property on Hwy 50 and is looking for guidance from the commission on how to proceed. Jim Leedle stated the area is conceptually a good place for an event barn and John Johnson agreed. The commission informed him he would have to rezone 20 acres to A-1, to contact the fire department with what he wants to propose and find out all the requirements from a Public Safety standpoint (i.e., a sprinkler system), and to check with the state and county for requirements.

c. **Brent & Jamie Cross; W703 Twin Lakes Rd; Tax Parcel #'s MB 260005C & MB 260005B**

John Johnson removed himself from the commission to explain the purpose of the lot line adjustment. Brent & Jamie Cross are purchasing land from Derek & Amber Gerstung to put up a garage/shop. Dan Schoonover made a motion; seconded by Bob Davies to approve the lot line adjustment between Parcels MB 2600005C & MB 2600005B.

6. Adjournment
