2. NEW BUSINESS: (Discussion & Possible Action)

- a. Repealing & Recreating Chapter 7.12.01 of the Village Code of Ordinances regarding Off-Highway Recreational Vehicles Regulated and All-Terrain Vehicles (ATV) and Off-Road Utility Vehicles (UTV).

President Aronson started the meeting with asking Clerk Kinsch to explain why the boards were meeting. Clerk Kinsch started off explaining the ATV/UTV Ordinance is not a passable ordinance at this time and the clerks need guidance on what should be included in the next draft. The only item included is the recommendation of the seatbelt requirement for all occupants from the ATV/UTV Committee. The current ordinance routes states “*any county or state highway within the Village’s boundaries that is posted 35mph or less*” which would need to change if adopting the use of county highways. The Golf Cart Ordinance is included but not passable as well because there are requirements needed from the boards but Attorney Schuk can explain later.

Trustee Conlon asked about the DNR recommendations that were not passed onto the board. The DNR recommendations were:

1. Require liability insurance
2. Prohibit driving from dusk to dawn
3. Seatbelt for all occupants

Trustee Bernstein asked about adding the liability insurance and Trustee Conlon agreed, as well as Chair Leedle. Chair Leedle stated she didn’t understand the reasoning for setting hours for the use of the county highways and in the future would like to open up the restricted roads as other municipalities open up their highways. Supervisor Sullivan added that defined hours were not a bad idea.

After lengthy discussion about the ATV/UTV Ordinance, Attorney Schuk asked the boards to clarify what the Clerks should include in the next draft. The unanimous consensus of the boards was to include it in the next draft along with the seatbelts for all occupants, the requirement of liability insurance and the use of county highways. Clerk Kinsch did state that additional signs will be needed for the adoption of the county ordinance.

- b. 2023-O-__ Creating Chapter 7.12.02 Golf Cart Ordinance

Clerk Kinsch stated the ordinance is not fully complete at this time due to missing requirements for equipment. Attorney Schuk explained golf carts are exempt from the Administrative Code Trans 305. Requirements for golf cart equipment will need to come from the boards.

Discussion ensued on equipment requirements. The boards decided to add the following requirements:

- Seatbelts for all occupants
- Directional signals
- Rearview mirrors

Drivers' License
Liability Insurance
Prohibit from dusk to dawn

In addition, signs would need to be installed at every point of entry and end to each subdivision road allowing golf carts. Both attorneys and Chair Leedle agreed to needing signs to clearly mark where golf carts are allowed.

3. Motion for Adjournment

Trustee Bernstein made a motion; seconded by Trustee Conlon to adjourn the meeting at 6:47pm. A voice vote was 5 Ayes – 0 Nays; motion carried.

The 4th of July (Independence Day) parade was a success. Thank you to Bobbie Jo Walkey for your organization of the parade each year. Good Job, most everyone celebrated the parade with respect and tradition for which it stands for. Bryan Steil lead the parade honoring the many who gave their lives for celebrations of Veterans Day, Memorial Day, Independence Day to mention a few. I noticed some people have not found the respect of the American Flag, maybe they should Google how to respect the American Flag.

The weather was great for the fireworks display, it was a really good show.

The State Legislature jointly passed an increase in Shared Revenue aid, there will be some partial veto but it's a great start, housing, transportation, and fighting PFAs contamination across the state.
