WATER & SEWER RATES

All Water Rates became effective June 1, 1998 and Restated January 30, 2012 when the Village incorporated.

Public Fire Protection (PFP):

The PFP is required by State Law and regulated by the State of Wisconsin's Public Service Commission. It recovers the cost of water for fighting fires and the extra capacity built into the system to rapidly deliver a large volume of water to a fire anywhere within the Municipality's water service area. These costs include a portion of the wells, pumps, storage facilities, water mains, hydrants, and an estimated quantity of water used for this purpose.

Minimum Quarterly Service Charge:
